1. Murkowski:

Hello Senator Murkowski. This is Anne van Oorschot.. I am calling on behalf of members of the American Women's Club of The Hague regarding the SAVE ACT, and because of recent comments made by you. You recently stated that you would do your best to help the many that are so anxious and are afraid, but are fearful of retribution.

You are an elected official and an American. It is your duty to stand up on behalf of the American people. We are all afraid, and you have the power to do something. One thing you must do is vote against the SAVE ACT.. This bill and its in-person proof of citizenship requirements for voter registration creates de-facto barriers for millions of Americans living abroad, many of whom are women.

I am a US citizen, I pay federal taxes and it is my right and civic duty to vote and I implore you to vote AGAINST the SAVE ACT.

2. Angus King

Hello Senator King. This is Anne van Oorschot.. I am calling [OR EMAILING] on behalf of the American Women's Club of The Hague regarding the SAVE ACT. We are asking you to put power back in the people's hands. You are an elected official and you have the power to do something. One thing you must do is vote against the SAVE ACT.. This bill and its

YOU STATED that "the Republican Women's Caucus exemplifies our Party's unwavering commitment to empower women and girls and deliver real results for the American people."
