

Peppermint Pretzel Crisps

<http://reciperhapsody.wordpress.com>

4 squares vanilla almond bark candy coating

1 (7.2 Oz) bag original pretzel crisps

1 cup Andes Peppermint Crunch baking chips

Melt the almond bark according to package directions. Using a small silicone spatula, spread the top of a pretzel crisp with almond bark, lay on a sheet of waxed paper, and immediately sprinkle with peppermint baking chips; repeat with the remaining pretzel crisps. Once almond bark has set, package in an airtight container or in cellophane gift bags or tins.
