

# **Privacy Policy for Advance English Learning App**

Your privacy is important to us. This Privacy Policy explains how Advance English Learning handles your personal information. By using our app, you agree to the terms outlined in this policy.

## **1. Information We Collect**

We do not collect any personal information directly from you. The app is designed for learning and does not require you to sign up or share any data.

## **2. Third-Party Services**

Although we do not collect any data, we use third-party services for analytics and advertising:

### **a) Google Services (Google Play Console)**

We use Google's tools to monitor app performance, crashes, and basic usage metrics. This helps us improve the app experience. Google may collect anonymized data like device information, usage logs, or crash reports.

### **b) TopOn Ads SDK**

We use TopOn to serve ads in the app. TopOn and its ad partners may collect user data (such as ad interactions, device ID, or IP address) for the purpose of personalized ads and analytics.

**You can read their privacy policies here:**

### **3. Data Security**

Since we don't store or collect your data, there is no risk of unauthorized access from our side. All third-party services follow their own security policies and compliance standards.

### **4. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. Changes will be posted within the app or on this page.

## **Contact Us**

If you have any questions or concerns about our privacy policy, please don't hesitate to contact us.
