Christmas Challenges

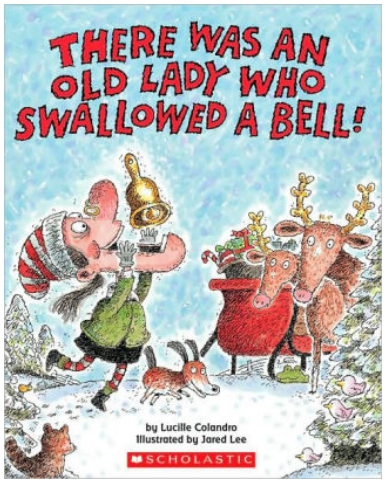

Tinkering Trees

This book is about a farmer who has trouble selling his trees because everyone wants a fake Christmas tree, until a mysterious person comes along requesting his "finest tree!" Each person in your group can use the hex bolts, hex nuts, washers, & screws to create a Christmas tree!

Christmas Challenges

The Old Lady Who Swallowed Some Legos?

The crazy old lady is at it again! In this book she swallows reindeer, a sleigh, a sack, gifts, bows, & a bell! Can you make one or all of these out of Legos? Don't eat it!

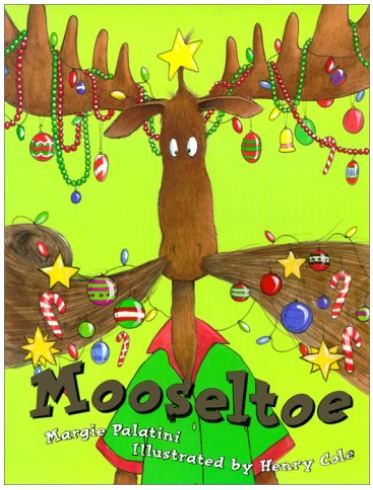

Christmas Challenges

Pattern Blocks

Each group member can use the pattern blocks to complete as many of the holiday pictures as they can!

Christmas Challenges

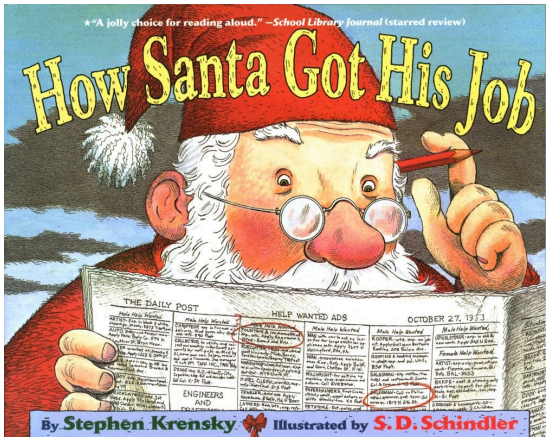

Turn Moose into a Christmas Tree!

Oh no! It's Christmas Eve & Moose forgot to get a tree. Can you create one for him using the materials provided? It must be able to stand on its own, & Moose must be in the middle!

Christmas Challenges

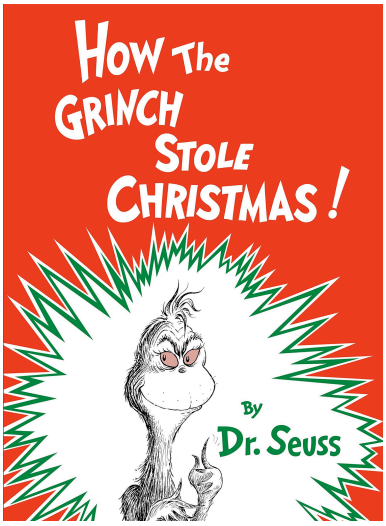

Christmas Card Tower!

In the book, How Santa Got His Job, one of the jobs Santa tries out is at a Post Office. Many people use the Post Office to mail Christmas cards ... can you make a tower using only Christmas cards?

How tall can you make it?

Christmas Challenges

Build a Trap Chimney for The Grinch!

That mean old Grinch is trying to steal your presents! Use the Plus Plus Mini Blocks to create a

trap chimney that will catch him, & test it out with the Grinch figurine!

Christmas Challenges

Christmas Tree Tower!

Watch this classic story on TumbleBooks by visiting www.tumblebooklibrary.com. Our school username is annewatson & our password is reads. Afterwards, create a tall Christmas Tree for Santa

to leave presents under using the cups provided, & pom-poms as ornaments! You could also make a mini tree with the small red cups!
