

## Albyn School

16 December 2025

Dear Parents

The city centre independent schools continue their co-operation in offering a wider range of transport options to families. Albyn School offers either return or morning only bus services from Stonehaven and Inverurie for Albyn pupils.

### Albyn School Bus Services

Service	Morning only or Return	Run By	Service Dates
Inverurie	Morning only or return	Albyn	Monday 5 January until Friday 27 March. There will be no service on Friday 6 February for the in-service or the mid-term break from 9-13 February inclusive.
Stonehaven	Morning only or return	Albyn	Monday 5 January until Friday 27 March. There will be no service on Friday 6 February for the in-service or the mid-term break from 9-13 February inclusive.

Spaces on the Stonehaven and Inverurie services are allocated on a first-come-first-served basis with priority being given to the children who have previously used the service. We are using a different process this coming term with the benefit of being able to book and pay for the services in one place at the same time [here](#). You will require a password (SPRINGBUS25) to access the Stonehaven or Inverurie page. You may have used the Pembee page previously for other school bookings but if not you will need to register and set up a unique password, which will then be available for all future bus bookings.

We also share **morning only** services from Westhill, Ellon and Peterculter run by Robert Gordon's College. Further details of these routes and how to book and pay for these services can be found [here](#). This booking process is also different from the term just ending and will need you to set up an account with a password. You should select Albyn as the school during the passenger set up phase.

If you are interested in these services for the spring term please proceed with the booking as soon as possible to allow us to forward the details to the bus companies ahead of the start of term.

Yours faithfully

Graeme Park  
Director of Finance
