

## **Reference Resources Weeding and Classroom integration Plan**

### Reference resources to weed:

- A first Thesaurus 1985 - A Golden Book - Wittels & Greisman
- Childcraft - the How and Why Library - 1988 - 14 volumes
- World Book's Young Scientist - 1991 - 10 volumes
- World Book Encyclopedia 1994 edition - A-Z volumes
- Share the Music 1998 - McGraw Hill - 12 volumes

### Reference resources to keep in the library and organize to better display and for easier access:

#### The 'All About' Series

... Canadian Animals  
... Canadian Sports  
... Famous Canadian People  
... Famous Canadian Places  
... Provinces & Territories  
... Canadian Geographical Regions

#### Basket of Acorn Read Alouds - Science books that are great for research

publisher: Heinemann Library

-Is it Living or Non-living?

-Weather

-Exploring Space

-Comparing properties

-Comparing Materials

### Reference Resources to distribute for use among classrooms:

Childrens Dictionaries - 2006 - 2nd Edition Revised x29

\*each classroom can keep 3 dictionaries in their classrooms

### Encyclopedias and Atlases to give to intermediate classes to use and explore to see if that format is engaging for students (to then order more current titles):

- Your World - A First Encyclopedia 1999 x2
- World Book Student Discovery Encyclopedia - 2000 A-Z
- 10 Atlases of various types
