Hi All,

It's been a couple of weeks since we sent the proposed plan to repair our roads. I hope you and your family have taken some time to read and discuss it. Several of you have reached out with questions or discussion, and I'm excited to share that **we have verbal pledges of ~\$11,500** at this point. That gets us to nearly 20% of our goal for Phase 1a!

Obviously, we must have still more involvement to make this effort successful. I am attaching a pledge form to this email. **If you intend to support this effort in any way, please fill out and return this form by August 27.** This is certainly not legally binding, but we really need to get a sense of what each family *intends* to contribute. **If you do NOT intend to support this effort, please let us know that as well, or better yet, if there is a concern that we can alleviate so that you CAN support this, we are totally open to that conversation.**

Thanks in advance for your participation, and seriously, PLEASE don't hesitate to let us know if you have concerns. You won't hurt our feelings, I promise! We just want to do all we can to ensure the success of this endeavor.
