Dear Parent

Summer vacation is a welcome break....Break from fixed schedules,rules and regulations of the school. Freedom brings more responsibility. So keeping this Mind ; we have planned most of the activities to keep our children engaged and also help them in channelizing their energies. Kindly help and guide your child in completing his/her work and also exploring his/her creative self. Submit the given homework in a folder with clearly mentioned name, class and section.

Kindly take the printout of the worksheets. It would be wonderful if the children themselves decorate the folders with their tiny hands.

**Regards
Class teacher**

ACTIVITIES

Environment day :-

“Nature is our treasure, let’s take care of it!”

As **5th June** is observed as **WORLD ENVIRONMENT DAY**. Let’s save our beautiful planet “Earth” by doing **any one** of the following activities such as:

1. **Compost** (make a compost using organic waste i.e. peels of vegetables/fruits, used tea, twigs and dry leaves ,egg shells etc.)
2. **Plantation** (plant a sapling in a waste plastic bottle).
3. **Make a Sprinkler** (using a waste plastic bottle).

Click the beautiful pictures of your ward while doing this activity.

“If you can’t reduce, then reuse”

There is no such thing as “away”. When we throw anything away it must go somewhere.

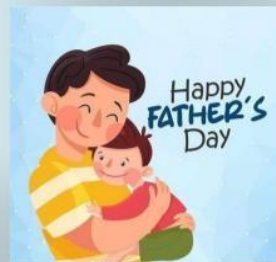

So we can reuse things around us like **Newspaper**.

- ❖ Make an envelope or a small paper bag using newspaper and send it to school after summer break.

Happy Father's Day

"Dads are the most ordinary men turned by love into heroes , adventurers, story tellers and singers of song".

Dear mothers

As we are celebrating Father's Day on **16th June** this year .To make this day more memorable for fathers, help your ward to make any dish (**NO FIRE COOKING**) and let him/her serve it to their father. When the little chef is at work, click beautiful pictures and make a beautiful collage.

"Happy soul, a fresh mind, and a healthy body. All three can be achieved with yoga. "
