General Information

We take the protection of your personal data very seriously and strictly adhere to applicable data protection laws.

To contact the data protection officer, please reach out to us at: info@aettales.com.

The following information provides a simple overview of what happens to your personal data with us.

Collection of personal data

This app does not collect personal data. We do not collect, store, or use information that could be used to identify you personally. We also do not collect information about app usage or other technical information, except for statistical purposes using Google Analytics.

Storage duration

The data collected by Google Analytics is stored according to Google Analytics' retention policies. These policies stipulate that the data is kept for a maximum period of 26 months, after which it is automatically deleted from Google Analytics servers. This means that data collected by Google Analytics through our app will not be held indefinitely and will be deleted after a 26-month period. It is worth noting that Google Analytics may, in some cases, retain the data for longer, in compliance with legal obligations, regulatory requirements, or for system security purposes. <https://policies.google.com/privacy>

Google Analytics

This app uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your device, to help analyze the use of the app. The information generated by the cookie about the use of the app (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information to evaluate the use of the app, compiling reports on app activity for us, and providing other services related to app activity and internet usage. Google may also transfer this information to third parties if required by law or if such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You can refuse the use of cookies by selecting the appropriate settings on your browser. Please note, however, that if you do this, you may not be able to use all the features of this app. By using this app, you agree to the processing of the data collected by Google in the manner and for the purposes described above. Personal Data processed: Usage Data; Trackers. Privacy Policy – Opt Out.
