

Contracting Ice for GGRFSC

We pre-pay for our ice time each month by submitting a “contract” through Entryeeze. Our contract looks like a monthly calendar and shows all the times that the club has ice available for that month. The calendar will be emailed to you around the 10th of every month for the following month.

All contracting is done through the website www.entryeeze.com. Instructions on how to contract are below the Ice Costs.

Calculating your Ice Costs_____

Freestyle sessions: Freestyle sessions are indicated on the contract by “FS”. The price per freestyle session is determined by the number of freestyle sessions you skate per month.

- 1-5 \$18 per session
- 6-12 \$16 per session
- 13-20 \$14 per session
- 21-30 \$11 per session
- 31 or more \$9 per session

Stroking: Stroking in figure skating is the method of moving forward or backward, pushing off using the edge of the blade. If you are new to the club, please ask your coaches if this is a good option for your skater.

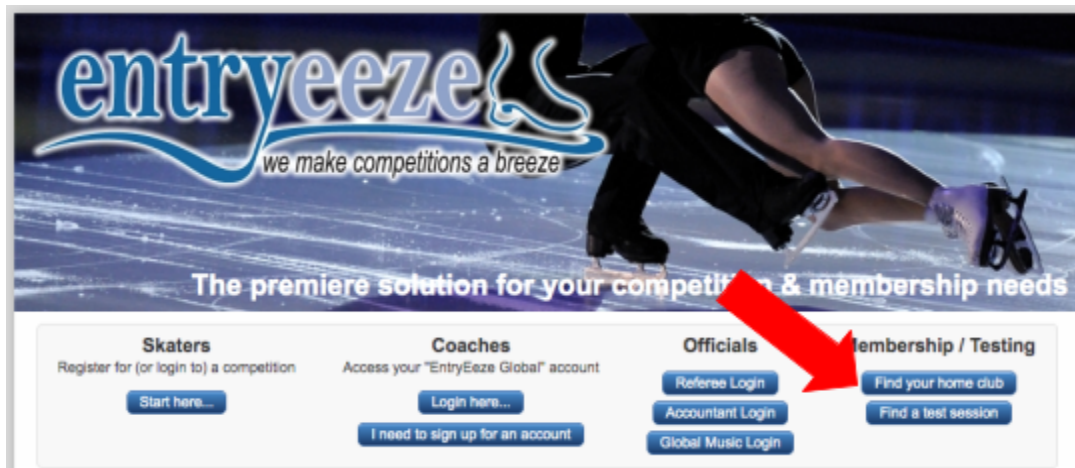

- Stroking sessions may be contracted at \$7 per session but these **DO NOT COUNT** toward determining freestyle rates. Second family member is \$5.
- **Skaters must also bring \$1 to pay the coach and turn it into the ice monitor at the start of the stroking session.**
- If the skater is not contracted for the stroking session, the skater may “walk on” and pay \$7 cash or check prior to the stroking session (\$7 for the session, and \$1 for the coach).

Walking onto ice beyond the contract: A contracted skater may choose to “walk on” (skate) a session for which they have not contracted if there is room. (There is a 22 skater maximum on the ice at any time.) Skaters may either pay the monitor at the start of the session, **OR** they may initial the monitor sheet and be billed on their next contract IF THEY HAVE ALREADY CONTRACTED THAT MONTH). They will pay their contracted rate for freestyle sessions, or \$7 for stroking. (The cash \$1 for the coach needs to be paid for stroking at the time of stroking and cannot be billed.) **However, if you are not contracted for the month, you MUST pay the ice monitor the \$20 per session rate prior to the start of the session for freestyle sessions or \$7 for stroking sessions.**

Calculation Errors: Any calculation errors on the contract will be adjusted. The credit or debit will be noted on your contract and returned to you on your next month’s contract through Entryeeze. Please email Stacey Sapp at sappstacey1@gmail.com.
