

# Campbell County Area Technology Center

909 Camel Crossing, Alexandria, KY 41001  
Telephone: (859)635-4101 FAX: (859) 635-2766

Campbell County Area Technology Center is designed to give students in the surrounding districts of Bellevue, Campbell County, Dayton, Highlands, Bishop Brossart, and Pendleton County the opportunity to receive specialized training in a specific career pathway of their choice. Our goal is to prepare our students for success by working to acquire industry certifications and become career ready upon graduation.

All programs at the ATC, with the exception of Health Science, are two-year programs. **When a student signs up for a program, they must make a two-year commitment to complete the program in order to get fully certified in their industry.**

We also offer dual credit opportunities in most of our programs through our partnership with Gateway Community and Technical College. Current programs offering dual credit include: Auto Technology, Electricity, Fire Science, Health Sciences and Welding.

## Instructions:

Please complete all sections of the application and return to your school counselor. Your counselor will send your completed application, transcript of attendance, grades and behavior to the Campbell County ATC for consideration. Each of our six feeder schools will have a predetermined number of seats available in each program based on their school's enrollment.

## 2026-2027 ADMISSION APPLICATION FORM

### STUDENT INFORMATION

Last:	First:	MI:
Address:	City/State:	Zip:
Cumulative GPA: (for Dual Credit Purposes – 2.0 GPA required)	Home School:	Grade:
