2023 Sessions

FIT offers sessions throughout Northern California. Each session presents a unique setting for immersive study of forest ecology and natural resource management. Participants are encouraged to select the location that best fits their interest and availability.

Session	Date	Location
Tuolumne	June 25-July 1	Sonora, CA
Humboldt	July 9-July 15	Arcata, CA
Shasta	July 16-July 22	Shingletown, CA
El Dorado	July 23-July 29	Georgetown, CA
