I, my employees, my clients and any other person(s) entering Kelso Creeks Christmas Tree Farm agree(s) that they have read and understand the document made available titled:

**“STATE OF TENNESSE PUBLIC CHAPTER NO. 498
SENATE BILL NO. 2164**

**By Tracy, Bunch, Burks, Gresham, Overbey, Ford, Crowe, Faulk, Southerland, Black
Substituted for: House Bill No. 1931”**

Including the following excerpt:

WARNING

“Under Tennessee law, there is no liability for an injury to or death of a participant in an agritourism activity conducted at this agritourism location or by this agritourism professional if such injury or death results from the inherent risks of the agritourism activity. Inherent risks of agritourism activities include, among others, risks of injury inherent to land, equipment, and animals, as well as the potential for you to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this agritourism activity. “

I, my employees, my clients and any other person(s) entering Kelso Creeks Christmas Tree Farm also understands and agrees with the following guidelines:

- Please ask for pictures if you need more information about our trees or visit our YouTube channel @kelsocreeks
- Sessions are \$40 per hour and \$30 for a 30-minute session. We do not prorate time.
- 100% **non-refundable payment is required when the session(s) are booked.**
- Photography sessions are not allowed while Kelso Creeks Christmas Tree Farm is open for selling season. Hours are subject to change and located on the Kelso Creeks website. Typical hours run weekends starting Black Friday and ending the 2nd or 3rd weekend in December.
- No refunds are granted, so please book session(s) with that in mind. If you cancel your session(s) you will be allowed to re-book your session based on available dates for this season only.
- Sessions must begin and end at booked time. Please schedule enough time for your session. There may be other photographers and clients preparing for the next time slot available. Be courteous to others. Consider that begin time is when you plan to arrive at the farm (not when your client sessions start), and end

time is when you plan to leave the farm (not when your client sessions end) including setting up and removing all props. You may come early and meet in the parking area before your session(s) begin.

- Appointments cannot be changed based on weather forecast.
- The weather rescheduling policy only applies if rain is occurring on the farm at least one hour before your session time, not necessarily raining where you or your clients live. You will be allowed to re-book your session based on available dates for this season. Due to limited amounts of weekends, you may be required to book weekday sessions. Deposits are non-refundable.
- Pets are welcome; they must be leashed and always picked up after. Please be courteous to others and help keep our farm clean.
- Please keep our farm clean by not using fake snow, glitter, confetti, or any other substance on our trees or ground that can't be cleaned up completely by you or your clients before your session has ended. Please pick up any trash or debris in your area. Trash can will be available.
- Farms are dangerous places. Please be aware of dips, holes, stumps, insects (especially fire ants), poison ivy, briars, fallen limbs, tall grasses, wood piles, etc. There are holes and ruts in the fields--please use caution.
- We work on the farm year-round. Tractors, mowers and other equipment might be in use. October and November are especially busy months as we prepare for our tree selling business. During that time, we will be setting up, moving equipment, cleaning, etc. Please stay outside of the boundaries of any yellow caution tape.
- **DO NOT** let anyone go barefooted. Farms are dangerous and should never be visited without shoes. Ask your clients if anyone coming to the shoot is allergic to bee stings, or any other insect; if so, clients must be prepared by bringing the appropriate antidote. We cannot give out antihistamines or EpiPen's.
- We do not have restrooms. So be prepared.
- Please do not venture out of the main Christmas Tree Field.
- **DO NOT** climb on any stationary farm equipment, structures or buildings.
- **DO NOT** open doors of the camper. The camper is vintage, which means its old and fragile.
- **NO SMOKING** on our farm please. Smoking can cause a risk to fire and we have worked too hard to lose our trees in a field fire.
- Open or closed flames of any type, fireworks, sparklers or any other items that may cause a risk of fire are **NOT allowed**. If you have an idea, please ask for our approval. This can pose a risk of fire that could destroy our entire farm.

I have read and understand the guidelines and consent to following them completely and understand that I, my employees, my clients and any other person(s) entering Kelso Creeks Christmas Tree Farm must abide by these guidelines.
