

2025 Philoptochos Stewardship
St. Irene Ladies Philoptochos Society
of
Ss. Constantine & Helen Greek
Orthodox Church

Philoptochos is a philanthropic society of the Greek Orthodox Archdiocese of America undertaking various outreach programs for over 80 years. St. Irene Ladies Philoptochos of Ss. Constantine & Helen Greek Orthodox Church is comprised of dedicated ladies of our community. Our mission is to promote philanthropic participation in the many activities in our community. We give our time, talents and treasures, in an effort to fulfill, creatively and in fellowship, the charitable goals and commitments of our community, our Church, National Philoptochos as we alleviate the suffering of those in need. We welcome new members to this very prestigious organization. We understand that some of you hesitate to commit due to your busy schedule, yet no matter how little, any support you provide is a blessing. The level of outreach that our Philoptochos needs to provide has grown immensely during these critical economic times.

In our previous mailing we show how we distribute the money we collect. This can only come to fruition with your help and dedication to this worthy endeavor.

We offer you the opportunity to come, see and join us! We hold our meetings during fellowship hour on the 2nd Sunday of each month.

Thank you for your ongoing support!!
