Question 1 (Helpful Tips - Reading): "To stay healthy, you should exercise for 30 minutes daily. You must not smoke. It is a regulation to wear a seatbelt while driving. You have to pay your taxes on time." Which sentences describe a **legal regulation** and which one is a **personal health tip**? **Answer: Legal regulations:** Wearing a seatbelt and paying taxes on time. **Health tip:** Exercising for 30 minutes daily.

Question 2 (Helpful Tips - Writing): What happens if people don't follow traffic regulations (e.g., speeding or running a red light)? Write a paragraph about the **negative outcomes**. **Answer:** If drivers ignore traffic lights, they will cause serious accidents and hurt themselves or others. Furthermore, the police will fine them or take away their driving licenses. If they are not careful, they will lose their lives.

Question 3 (Food and Festivals - Reading): Read about world cuisines: "Italian food is known for pasta and pizza with tomato sauce. Thai food combines sweet, sour, and spicy tastes in one dish, often using coconut milk. Indian food uses a variety of spices like curry and turmeric." Categorize these cuisines by their **distinctive tastes or ingredients**. **Answer:** 1. **Italian:** Pasta, pizza, tomato sauce. 2. **Thai:** Sweet, sour, spicy, coconut milk. 3. **Indian:** Variety of spices, curry, turmeric.

Question 4 (Food and Festivals - Reading/Diagram): "La Tomatina in Spain is a giant food fight with tomatoes. Oktoberfest in Germany celebrates Bavarian culture with traditional music and food. Chuseok in Korea is a harvest festival where families share traditional rice cakes." Diagrammatize the text by matching the **Festival** with the **Culture/Country** and **Key Feature**. **Answer:** 1. **La Tomatina** | Spain | Tomato food fight. 2. **Oktoberfest** | Germany | Bavarian music and food. 3. **Chuseok** | Korea | Harvest and rice cakes.

Question 5 (Food and Festivals - Writing): Write a paragraph describing the **celebration process** of a local festival in your city or country. Use sequencers like *First, Next, Then, Finally*. **Answer:** We celebrate Republic Day on October 29th every year. First, students prepare poems and dances for the school ceremony. Next, we decorate the streets and balconies with Turkish flags. During the day, there are official parades in the city center. Finally, we watch a beautiful firework show in the evening to end the celebrations.
