

Know Thyself! A College Planning Worksheet

A tool to help you consider who you are, and who you want to be. This information can help later when you decide how you'll meet your goals. This survey can be printed, and taken offline.¹

Your Name: _____

What do you want to do when you grow up? *In other words, what careers interest you? You can list a few. For ideas check out MyNextMove.org or my site at www.counselorchloe.com*

I want to work...

To meet your goals, what do you want to study? *Based on your career interests, list is at least one possible college major. You can check training requirements for US jobs at www.careeronestop.org*

I want to study...

What is your level of English? You can check more than one.

*English requirements vary by university. It is wise to be aware of your English level. If you are not fluent in English, you may want to make a plan to increase your fluency, and to prepare for the TOEFL exam. ** note that some USA universities will waive the TOEFL requirement for students if English is their first language, or if they are earning a college degree in English*

- ☐ Beginner - A Level
- ☐ Intermediate - B Level
- ☐ Advanced - C Level
- ☐ Fluent - English is my first language, or I've studied it until fluency**
- ☐ I have a college degree in English **
- ☐ Other - please explain:

Circle your strengths. Put an x next to the skills you find more difficult.

Academic Skills	Leadership Skills	Studying Skills
Critical reading skills	Helping skills at home	Note taking skills
Research skills	Leadership at school	Staying motivated to succeed
Writing skills	Leadership in my community	Time management
