

CHS Construction Technology Internship Application

See [Construction Tech Internship Course Outline](#)

INTERN APPLICATION:

1. Why do you want to participate in a ConstructionTech internship?

2. What makes you a good candidate for this program?

3. The Construction Tech internship involves students guiding students through construction-related instruction. Describe a scenario where you solved a problem on a project that had minimal instruction.

4. The Construction Tech internship involves students mentoring students in construction-related scenarios. Give an example of a way that you would be a good mentor to a middle school student.

5. If selected, are you able to provide your own transportation to & from the internship site? Circle one: YES / NO

6. Is there anything else you would like us to know about you?
