

### **Council of Supporters**

IDPN is building enduring advocacy capabilities to support the diverse pro-vaccine community. We are grateful for the dedicated individuals and organizations who support this work that is crucial to protecting individuals, families, and communities. Please help us to show the diversity and breadth of the pro-vaccine movement by supporting this Statement of Values, and [lending your name as a supporter of IDPN's Education Fund \(c\)\(3\)](#).

#### **Statement of Values**

1. Vaccines are a cornerstone of public health and all Americans, regardless of income or geography, should be able to access appropriate vaccines.
2. All Americans have the right to a healthy, safe environment at work, school or childcare.
3. Vaccines ensure safe workplaces that meet the needs of employers, workers and their families, and the broader community.
4. Families deserve access to accurate, evidence-based public health information in the communities where they live.

By joining the Council of Supporters I agree that the IDPN Education Fund may use my name or organization in outreach materials including print, web, and media communications for the sole purpose of indicating my endorsement of IDPN's efforts to support, educate, and encourage access to vaccines. I know that my Membership in the Council does not constitute an endorsement of any specific IDPN activity, nor those of any of its partners.
