

## **Lorin Willey's Student Testimonials**

"Lorin has been instrumental in my success at seeing the painting before it is completed, and more importantly, having given me all these tools, Lorin is a master at recognizing the potential of the artist as well as allowing the artist to "be" the artist."

- Mark Haberle

"It is unusual to find an artist as good as Lorin, who can be a great artist and a great teacher at the same time. I am always amazed at his vast and comprehensive knowledge of art, which he is so willing to share with all of his students."

- Cynthia Son

"Lorin has an unbelievable wealth of knowledge about the painting process, color and light and composition, and past and present artists and techniques."

- Gail Franke

"I've experienced my greatest growth since receiving my MIAD painting degree. Lorin has a knack for finding out what I want from my painting and carefully teaching a method to achieve it."

- Troy Tatlock

"Lorin strives to make each student the best they can be at what they want to be good at!"

- Wendie Thompson

"Lorin Willey possesses a vast skill set of design expertise, painting methods, drawing ability, grasp of art philosophies, and keen awareness of natural light and color achieved by painting from life. He draws on his many skills to perceptively tailor his instruction to individual student needs and creatively mixes thorough explanations of techniques with thought-provoking observations. Lorin's depth of knowledge and positive passion for art, teaching, and life make learning from him both enlivening and satisfying."
