DRESS REHEARSAL –5:30-9:30pm *TOWSON UNIVERSITY – STEPHENS HALL THEATRE

*Due to time limitations, **rehearsal starts promptly at 5:30pm**. Students should be there between

5-5:15 to get organized and warmed up. **Dancers should arrive in full costume and make-up** and come in their first dance. See the [Performance Order](#) to determine your dancer's 1st dance. All dancers should wear a medium-colored foundation, a rose tone blush, black mascara, and eyeliner. Eye shadow and lipstick should be in a shade that compliments the costume color (no brown or purple base lipsticks). Students may leave once they have completed all their dances.

Students will go directly to their assigned dressing rooms. Enter the building at the front entrance of Stephens Hall. Once you enter the lobby take the steps to the downstairs dressing rooms. Parents will sign their child in with an assigned room parent before leaving. Dress rehearsal is a rehearsal to review spacing, lighting cues, and set placement. Stops and starts are to be expected.

***** Seating will only be allowed for parents in the last 2 rows of the theater or balcony. 1 parent is allowed to wait in the theatre. Children and additional guests are not allowed at the dress rehearsal, and no food or drinks are allowed in the theatre.**

Parents of younger students may wait in the theater for rehearsal or have room parent text you when the dancers are finished, due to not knowing an exact dismissal time. Parents pick up and sign out their child with the room parent assigned to their dressing room.

Non-Flash pictures are only to be taken at this rehearsal. **It will not be allowed on the performance evening.**

Video recording **is not allowed** at dress rehearsal or performance evening.

PERFORMANCE EVENING *TOWSON UNIVERSITY – STEPHENS HALL THEATRE – 6:00 PM

*****A REQUIRED** warm-up for Ballet 4 and above will be held from 4:45-5:15 on the stage. Please do not arrive prior to 4:30 but ready to begin promptly at 4:45! ***** All other dancers report no later than 5:15** and directly report to assigned waiting areas in full costume and

make- up. **Only one parent** is allowed to bring the child to the dressing rooms and only one to pick up the child. If a student is to be picked up by an adult other than a parent, a note will need to be given to the room attendant before the performance. Students may not leave the dressing room, unless accompanied by an adult or room attendant's permission.

Students and volunteers are not allowed to enter the theater on the performance evening before or during the show.

*For the Dress Rehearsal and The Performance Evening we recommend that students bring a quiet game or book. They can only bring water & non-staining snack into the dressing room. Younger students should be taken to the bathroom before being dropped off. Please use your discretion on your child bringing valuable items (ipads, cell phones, etc...) to the dressing rooms. It would be unfortunate if these items would disappear.
