KCRA RULES

The rules of Kings Crossing Recreation Association (KCRA) are necessary for the ongoing operation and maintenance of the recreational facilities and foremost, the safety of our members and guests. KCRA Rules are subject to change at any time by the KCRA Volunteer Board. Members agree their household and guests will follow the current rules maintained at www.joinkcra.com/pool-rules. Usage of the facilities is restricted to paid KCRA members and their guests. Membership is subject to cancellation at any time with review and decision by the KCRA Volunteer Board. See FEES (non-refundable) section below. Pool members may be asked to show a working pool key or identification to prove their membership is current.

**Please note: KCRA does not have jurisdiction over civil misbehavior issues such as fighting and public drunkenness and other issues of that ilk. While we expect our members to follow the rules established by the KCRA Volunteer Board, KCRA provides an essentially unmonitored pool for the use of our paid members and their guests. Civil issues should be addressed by calling the proper authorities, in most cases it will be the Cobb County Police Department at 770-499-3911 or by dialing 911 for emergencies.

The pool gate key also opens the clubhouse entrance to the restrooms. Each membership is for a single household, for which one pool key is provided.
