7. Public Input: recess the formal portion of the meeting to entertain comments or questions on agenda items.
  - Persons wishing to provide input on these items may do so, preferably in writing, or **if time permits**, by making a statement. The **Public Comment Form** must be completed in either case.*
  - All written comments submitted will be shared with all Board members and are subject to the Wisconsin Public Records Law. In this case, please check the “**Would NOT like to speak**” box and turn it into the Superintendent or secretary.*
  - If time permits, as determined by the Board President, and you wish to speak at the meeting, please complete the Public Comment Form, checking the “**Would like to speak**” box and turn it into the Board President as soon as possible. Speakers will be called on in the order received.*
  - Because the Board believes public input is extremely valuable, time will be allotted during the monthly Board meetings to entertain public comments or concerns. Comments received can only be advisory and no immediate action can or will be taken at that time. Information gained may, however, be addressed at future committee meetings or Board discussions. (BOE Policy 187)*
  - Concerns about an individual student and/or personnel issues are not appropriate in a public meeting and should be addressed to the appropriate administrator for resolution.*
  - Comments deemed to be personal attacks against other persons, whether they are present in the meeting or not, are not appropriate and will be ruled out of order. We wish to model for our youth and community sharing ideas about issues with kindness and civility.*
  - Commenters are not allowed to donate or defer time to other speakers. Each individual speaker shall only have 3 minutes to make a comment. The Board President will end the time for public input no later than 30 minutes after it begins and any remaining speakers will then be requested to submit their comments to the Board in writing or return at the next Board meeting.*
