High School Math

- Spiral notebook with pockets or 3-ring binder with loose leaf paper
- Pencils
- Calculator: TI-30 or other scientific calculator is fine for Geometry, Algebra A and B, Math Survey, Transition and Math I-IV. TI-84 is recommended for Algebra, Algebra II, Precalculus, Stats. (See note below)
- Protractor with ruler and compass: (Geometry only)

Calculator Expectation-

Every child in high school math must have a calculator. For Algebra A, Algebra B, Math Survey, Geometry and Transition a TI-30 or similar scientific calculator will be fine. They are about \$10 to purchase at Walmart, etc. For the other math classes (Algebra, Algebra II, Precalculus, Stats) we recommend a graphing calculator, preferably the TI-84. They cost around \$100 to purchase. If you don't want to purchase the graphing calculator, you may rent one from the office for \$25 for the year. Of course, if it is lost or broken you will have to pay the replacement cost.

PHYSICAL EDUCATION:
