

Chameleon's Colors

Use with the story
'A Color of His Own'

Color the spaces, cut out the chameleon attach with a brad.
Spin.

Chameleons Colors

Use with the story
'A Color of His Own'

Color the spaces, cut out the chameleon attach with a brad.
Spin.

A-Z Schoolers

Color Conquest Challenge

There are lots of optional ways to play. Adjust according to ages playing.

(To make more permanent laminate and add Adhesive Velcro to the back of the coins and the colored coins in the chest so the don't get lost.)

Hide the coins and have them use the compass. Say go more north, go south etc. (That would probably end up being in front of you behind to left etc. Or if old enough use actual directions)

Hide the coins in places that rhyme with the colors.

Red (Bed)
Orange (Hinge)
Yellow (Hello, Jello)
Green (Bean, Clean)
Blue (Shoe)
Purple (Circle, Turtle)

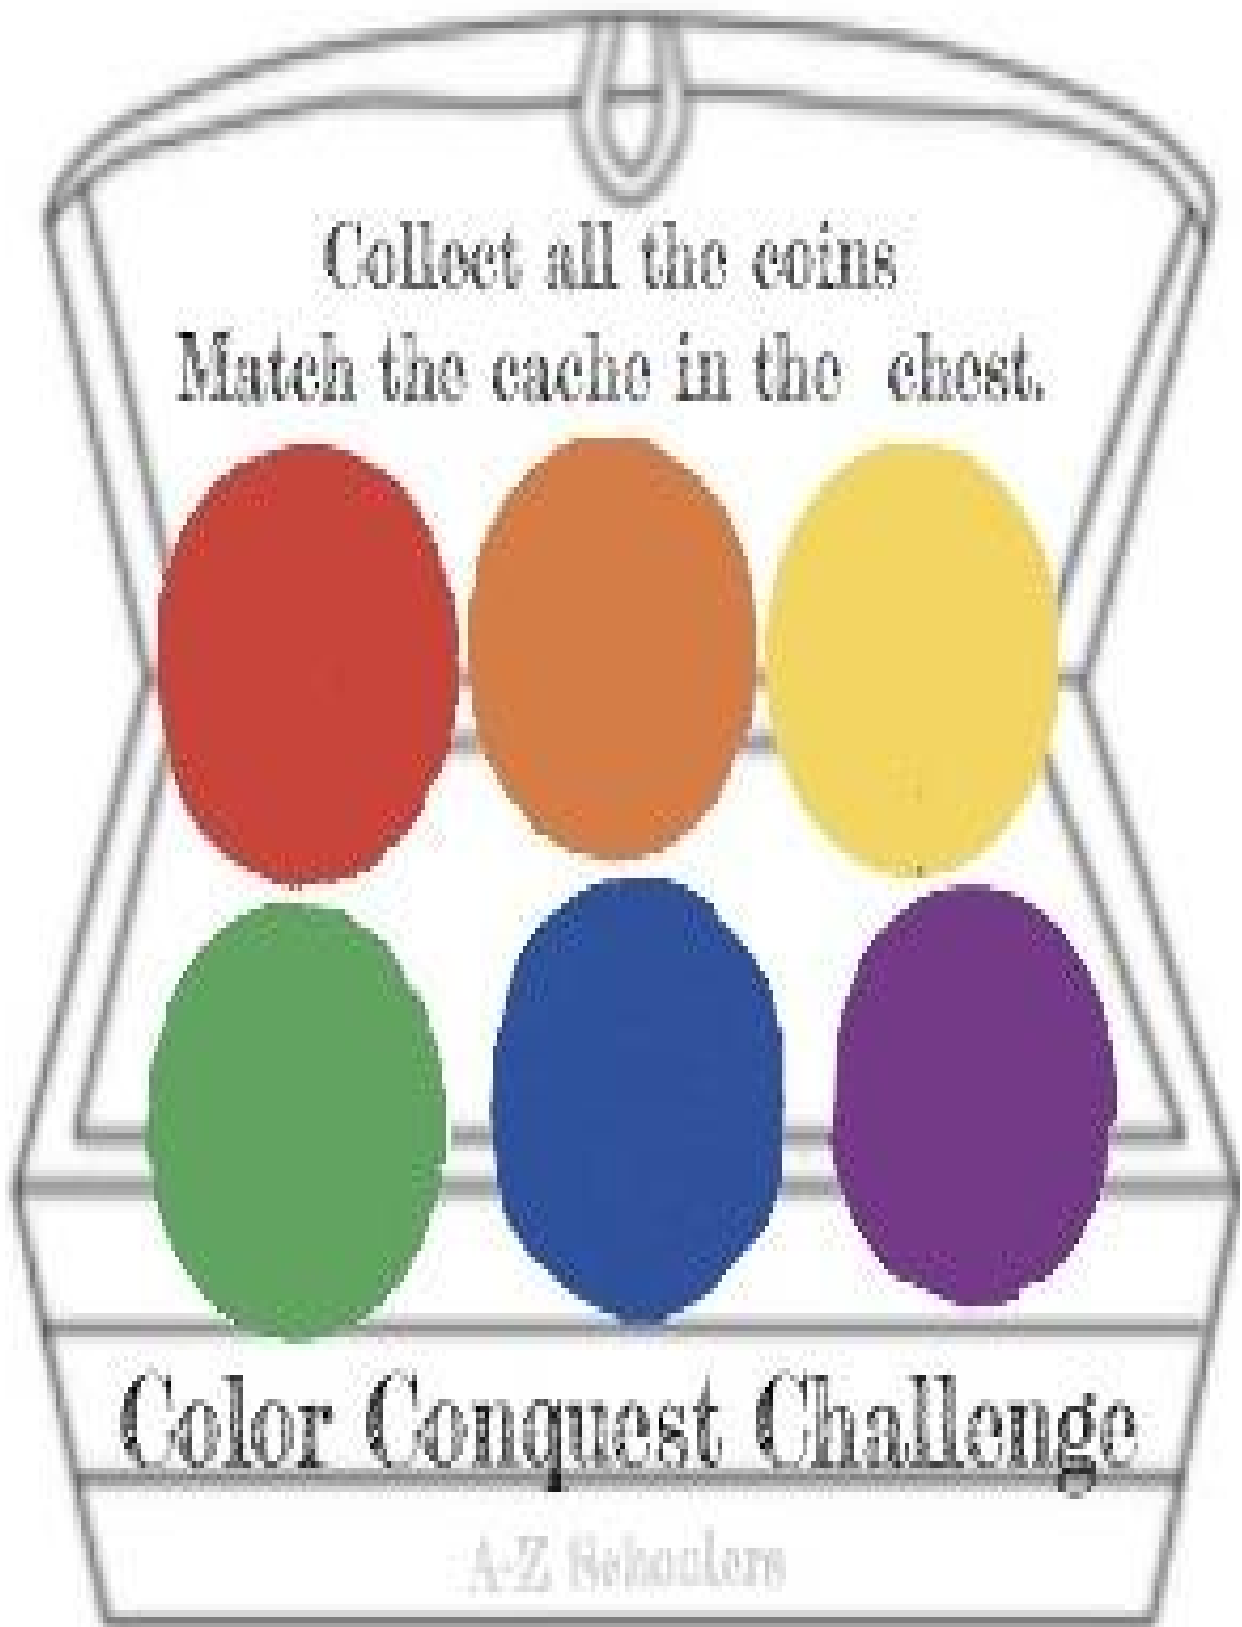

Just turn the coins upside down and match them to the colors

Cap'n Crunch Cuthbert captured a chest of colored coins. He was seen from a crows nest cramming them into a cannon. He shot them out like a cannonball. Our job is to collect all the coins and match them to the cache in the chest.

You might need to use the compass.

Do you accept this challenging conquest?

A~Z Schoolers

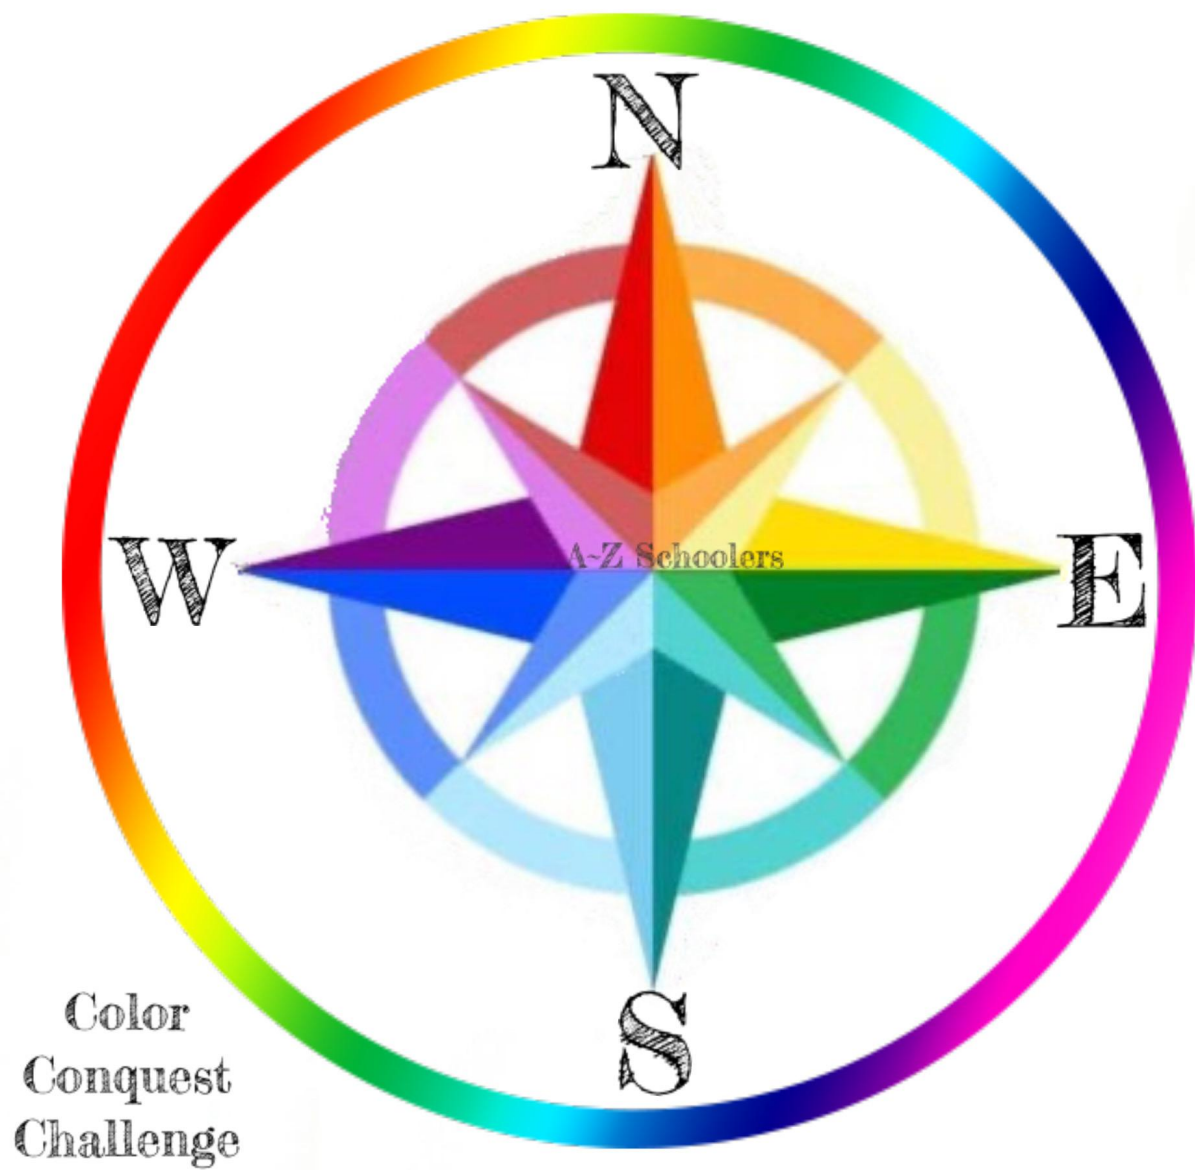

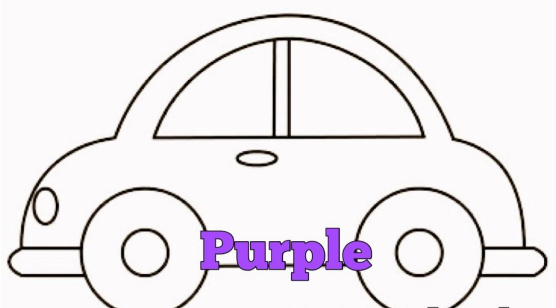

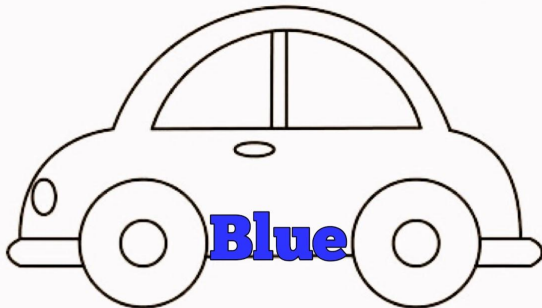

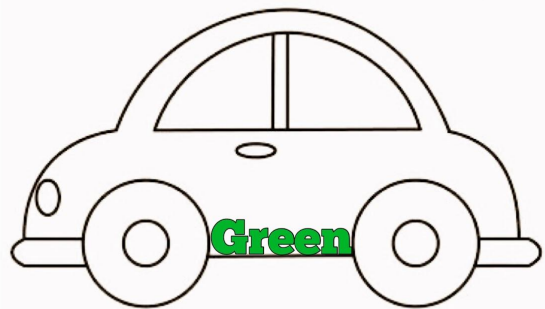

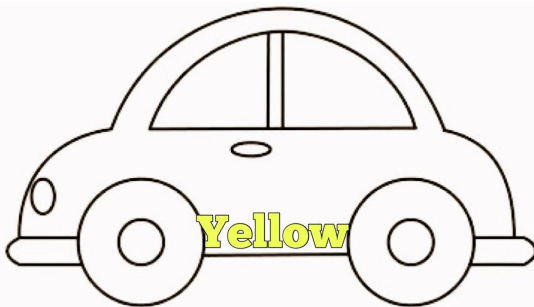

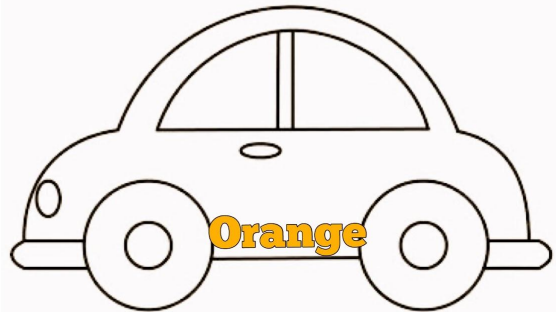

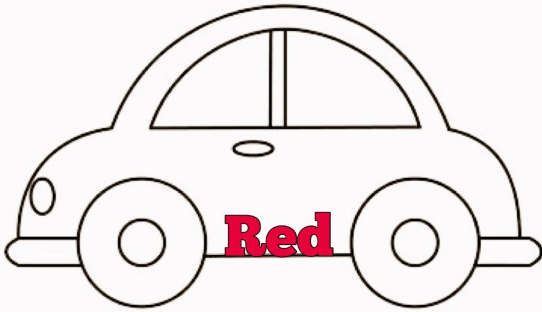

Collect all the coins
Match the cache in the chest.
