

2023-2024 **Madras Middle School** Music Program Registration Information

Band (Director, Heidi Harrell): In the Madras Middle School Band, our mission is to learn to make great music together for others. We serve the Madras community with performances throughout the year at concerts, sporting events, assemblies, and more! This year, we will use our digital class time to learn the basics about making music. Then, we will work with our 6th Grade families to help you get instruments for your students. Whether we are online or in the classroom, I will work with your students to help them become as strong of a musician as they can be! The instruments available in the Band Program are Flute, Clarinet, Oboe, Bassoon, Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, and Percussion. If you have any questions, please email AP, Erin Randolph at erin.randolph@cowetaschools.net. We can't wait for you to be a part of our Madras Band Family!

Chorus (Director, Erin Walton): Madras Middle School Chorus is a year long class that takes place during the school day. To join our chorus class, you do not have to audition for chorus like many elementary schools. This is a class where we will actually be learning how to sing from the very first day. Students will also be able to identify and describe vocal anatomy in order to produce the correct sound. They will have the opportunity to perform a variety of music in different genres and even multiple languages. Students will be able to demonstrate knowledge of music theory and to read and notate music. I look forward to hearing from you, and if you have any questions or concerns, please feel free to contact me.

- Email: erin.walton@cowetaschools.net
- Phone: 770-254-2744
- Remind: text the number 81010 in the body of text @mmschoir

Registration

If you are interested in taking one of the year-long Madras Music Program courses, please have a parent or guardian scan the appropriate QR code below for the course in which you are interested. These QR codes are also available on our school's website <https://mms.cowetaschools.net/>. We look forward to meeting you soon!
