Students received two papers in their Homeroom classes Monday, February 2, 2026 about the **West Virginia Student Learning Environment Survey (WVSLES)**. The information is as follows:

- **Passive Consent Form:**
  This form explains the survey and provides parents the option to opt their child out of participating. This form only needs to be completed and returned if you do **NOT** want your child to participate in the student survey.

- **Parent Survey Letter:**
  The second paper included a letter and instructions for completing the parent version of the survey. We encourage you to take a few moments to provide your input about your child's learning environment once you receive this information.
