

# Integrating Energy, Equity, and Place in High School Physics

## Planning for your own classroom

Day 8 | Wednesday Aug 2 , 2023 | 9-11 and 12-2 PT / 12-2 and 3-5 ET

### Agenda

[Agenda](#)

[Working group check-in](#)

[Work time + optional sessions](#)

[\[Long break\]](#)

[Work time + optional sessions](#)

### Working group check-in

**Format:** Breakout rooms in Zoom

As yesterday, your first activity is to check in with your working groups, to help each other stay on track and address any obstacles.

In your working groups (named below):

- Take a few minutes to write responses to **Part V** of your MAP (linked below):
  - What did I get done yesterday?
  - What do I want to get done today?
  - What do I need help with or what obstacles are standing in my way?
- Each take a timed 3 minutes to share and discuss your responses.

**\*\* Keep in mind that we are asking you to make and share two things: \*\***

- By Friday, we are asking you to contribute what you've developed to the Portal
- On Friday, you will share [a "poster" \(slide\)](#) describing what you've developed.

<b>Room 1:</b> Rachel, Dan, Erin, Rebecca, Mike	<b>Room 2:</b> Kara, Jaime, Diane, Golsin
<b>Room 3:</b> Tali (arriving 9:10), <a href="#">Heena</a> , Megan, Jack, Sabrina	<b>Room 4:</b> Jim, Deborah, Rosemary, Kevin, Ellie

#### My Action Plan (MAP) documents:

- [Jack Gray](#)
- [Erin Hartse](#)
- [Daniel Freedman](#)
- [Kevin Sweeney](#)
- [Deborah Armstrong](#)
- [Megan Bartley](#)
- [Sabrina Whitaker](#)
- [Diane Nutbrown](#)
- [Mike Fetsko](#)
- [Golsin Rashid](#)
- [Ellie Brooks](#)
- [Rebecca Bennett](#)
- [Jim Panzer](#)
- [Jaime Skiba](#)
- [Rosemary Wulf](#)

# Work time + optional sessions

**Time:** 10-11 Pacific / 1-2 Eastern

**Format:** In [GatherTown](#)

- You can always choose to **work on your own** to make progress on an activity/lesson/unit for your own class.
- Or you can attend your choice of **optional one-hour sessions** to deepen your learning on various topics. Sign up below so we know who to expect.
- *GatherTown tip:* Hold down G (for “ghost”) to walk through other people! Can help if a table is crowded.

Session I (10-11 Pacific / 1-2 Eastern)			
Session	Facilitator	Table	Attendees
Quiet coworking	None	1&2	
Contributing to the Portal AND getting feedback on your activity	Lauren, Jim	3	Golsin, Ellie, Dan, Diane
Brainstorming a new activity OR deciding what exactly to share	Kara	5	Kevin
Assessing <u>energy</u> learning OR writing “Washburn questions”	Rachel	7	Dan
<a href="#">Global climate change part 2</a>	Lane	12	
Choice Boards	Rosemary	10	Deborah, Jaime

[Long break]

# Work time + optional sessions

**Time:** 12-2 Pacific / 2-4 Eastern

**Format:** In [GatherTown](#)

- You can always choose to **work on your own** to make progress on an activity/lesson/unit for your own class.
- Or you can attend your choice of **optional one-hour sessions** to deepen your learning on various topics. Sign up below so we know who to expect.

Session II (12-1 Pacific / 3-4 Eastern)			
Session	Facilitator	Table	Attendees
Quiet coworking	None	1&2	Ellie
Contributing to the Portal and getting feedback on your activity	Jim	3	Golsin, Rosemary
Bringing diverse physics stories into your classroom	Kara, Tali	5	Diane
Assessing <u>energy</u> and/or <u>equity</u> learning	Rachel	7	Diane
<a href="#">Global climate change part 2</a>	Lane	12	
Self-selected working group	Self-led	self-select	
Session III (1-2 Pacific / 4-5 Eastern)			
Session	Facilitator	Table	Attendees
Quiet coworking	None	1&2	
Contributing to the Portal and getting feedback on your activity	Jim	3	Golsin
Assessing <u>equity</u> learning	Tali	5	

Assessing <b>energy</b> learning	Kara	7	
<a href="#">Fuel efficiency</a>	Lane	12	
Self-selected working group	Self-led	self-select	

# Feedback form

(5 min) Please complete this [feedback form](#) to let us know how things are going for you.
