Pigeon Lake Lynx Cheer Team

Congratulations to the Pigeon Lake Lynx Cheer team for winning first and second place at their first competition. The Cheer team consists of Winfield, Lakedell, Falun, and Pipestone school students.

Policy 8: Committee of the Board and Policy 9: Board Representatives

The Governance committee reviewed Policy 8, "Committees of the Board," and Policy 9, "Board Representatives," and discussed removing the Leaders of Tomorrow and Wetaskiwin Ashoro Friendship Society from Policy 9 and incorporating them into Policy 8 under the section for Ad Hoc Committees. This decision is based on the view that these two committees should be classified as ad hoc committees, which are established to support the Board on specific projects for defined periods.

Air Quality Testing

The Facilities and Finance Committee received an air quality schedule to conduct testing in all schools. Testing has been carried out according to the schedule in Alder Flats, Buck Mountain, Lakedell, and Winfield, and results from all schools indicate no concerns.
