

WEEKLY BULLETIN | April 14, 2025

SHELBYVILLE HIGH SCHOOL

Students of the Month | April 2025

Aly Douglass	SENIOR
Alexis Jokisch	JUNIOR
Conner Boarman	SOPHOMORE
Lucas Litton	FRESHMAN

QUOTE OF THE WEEK

When you arise in the morning, think of what a precious privilege it is to be alive - to breathe, to think, to enjoy, to love.

April is designated as the Month of the Military Child, underscoring the important role military children play in the armed forces community. [Wearing purple](#) is a visible way for everyone to show support and thank military youth for their strength and sacrifices.

Post Prom Agreements are available in the SHS Office. These need to be signed and returned by Wednesday, April 23, 2025.

The math teachers are missing several classroom calculators. If you have one, or you know where one is at, please return it asap. Thank you.

College & Career Fair | Tuesday, April 15, 2025

12:30pm - 1:30pm	Seniors and Freshman from SHS <i>with</i> 12th graders from neighboring school districts
1:30pm - 2:30pm	Juniors and Sophomores from SHS

*** Seniors will be dismissed for the day after their session.

*** Freshman will return to their 7th hour after their session.

*** All students will complete an exit survey during homeroom.

There are consequences for using, possessing, buying, selling, bartering, or distributing any illegal substance. Students are prohibited from attending a party, a gathering, or riding in a vehicle where alcoholic beverages and/or controlled substances are being consumed by minors. With the prom dance just around the corner and spring sports in the heart of their season, keep in mind that these actions are, at a minimum, a violation of the code of conduct.

At SHS, we take several preventative measures. These include: Random Drug Testing - Vape Detectors throughout the Facility - Unannounced searches with the Canine Units. These are all common strategies that students, and adults alike, should expect as they enter into the workforce. If you have concerns as a parent, know that alcohol breathalyzers and test kits for tobacco, THC, and other controlled substances can be purchased on Amazon.

DID YOU KNOW THAT **GRAPHIC PACKAGING** has a summer work program. No need to fully commit to the factory for a career if that is not something you are immediately interested in. The summer work program can be a fantastic way for graduating seniors and current college students to make good money during the summer season. Apply at StaffQuick making note that you are interested in summer work. A & B shift are 7:00am to 7:00pm, and C & D shift are from 7:00pm to 7:00am. The shifts work 3 days one week and 4 days the next in a rotation.

If you want more information on this topic, talk with Mr. Ladd.
