USING DESTINY DISCOVER AND SORA

THE BENEFITS OF READING DIGITAL BOOKS

- Most e-Books have listening, highlighting, annotating, and dictionary features.
- Teachers can project eBooks on their screens to discuss texts in their classroom lessons.
- Many of our eBooks are "unlimited access," which means an unlimited number of students can access the same book at the same time.

LOGIN INFORMATION

Use your DOE account for both Destiny Discover and Sora.
Students: If you don't know your DOE login, you can retrieve it here.

Accessing eBooks from Destiny Discover

1. Click Search Our Online Catalog under the Library tab on the Bryant website, and log in.
2. On the Destiny Discover homepage, type in a title, author, or topic in the search bar at the top. Narrow your search using the Filter on the top-right of your results (under the search bar). The Format filter will allow you to select print or digital books. Once you click on a title you will have the option to open and/or check out the book.

Accessing Sora (NYC's Citywide Digital Collection)

1. Sign into Sora with your DOE account.
2. Use the menu on the top-right for settings and to add other library systems to your search (e.g. Queens Library, NYPL, etc.).
3. Use Preferences at the top-left to filter your results.
