uc berkeley 2024 portal astrology guide

1. **calnet method:** https://bpr.calnet.berkeley.edu/account-manager/welcome/SLATE
    a. “forbidden” = accepted → left image
    b. “not authorized” = rejected/waitlisted → right image

2. **campus solutions method:** https://bcsweb.is.berkeley.edu
    a. first name & ten-digit ID on top right = accepted (image below)
        i. ID begins with 303 or 304 (ex: 303******* or 304*******)
        ii. should look like:
        :first name:
        ID: 30********
    b. “account has not been created yet” = rejected/waitlisted

other info

1. some people are using the **wrong** link for the calnet method. instead of the one above, they are clicking this link: https://calcentral.berkeley.edu/. **ALL** user logins will say “unrecognized login” (left image) the first time & once you login again, it will say “not authorized” (right image). therefore, do not use this link & ignore these pages.
