

# Dickinson-Iron Parent Advisory Committee

***We are looking for new members!***

## **What is the PAC?**

*The PAC is a group of parents of children with disabilities that represent local school districts in Dickinson and Iron Counties. The PAC members work together to provide input on special education policies within the ISD.*

## **What would I get out of joining the PAC?**

*PAC members stay informed of local and state special education practices by attending the meetings. Also, parents get questions answered and support in dealing with difficult decisions or concerns regarding their child's IEP.*

## **When and where does the PAC meet?**

*The PAC meetings are held bi-monthly from September through May at the Dickinson Iron ISD Administrative Building at 1074 Pyle Dr. in Kingsford and start at 5:00 p.m. Dates will be posted on our website.*

**All parents of students with an IEP are welcome to attend!**
