The question was asked about fundraisers for the scholarships that we are doing. We need to look at the budget to discuss what to do moving forward to raise funds. In the past we did \$500 scholarships. Do we want to combine them, or how do we want to go about the scholarship? We have had very few seniors to apply, but more TAs to apply in the past. Some discuss giving the scholarship to just TA. President Tomon asked Debra Stinson to put together a proposal in January for how to move forward with the scholarship.

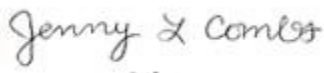

Information was shared that there were opportunities to pass the information to Dr. Mancini to share with community college to apply for the scholarship.

The discussion was that we should offer both places, but then make a decision.

The meeting was adjourned at 6:00pm.

The next meeting will be held at Carteret Community College , Wayne West 322.

Respectfully submitted,
