

Rules/ Script

- MUST have discord. If you dont we could possibly work something out but please have it. Discord is 13+ so if you have it you must be at least 13. The server is here: <https://discord.gg/JKwJkF7k> Please be respectful
- Follow the script and designs! I really don't want you to have to redo your part!
- Absolutely no form of tracing, stealing, or copying is allowed. No exceptions.
- NO watermarks! If your program has a watermark please make your part small enough for me to crop it out!
- Don't add your own watermark! I will add it myself!
- You have two weeks from when you get your part to give me a WIP! And after that 2 months to get it finished!
- Please have animation examples on your channel! I need to know you can animate!
- Only apply for parts in the comments of the MAP Call.
- If I heart your comment, I have seen it. If i reply you have gotten the part.
- DO NOT ASK FOR PARTS BEFORE THE PREMIERE!
- Make sure to add a 3 second cutoff at the beginning of your part! Make it a still version of your first frame incase of any audio issues!
