

Virtual Orientation in 7 Easy Steps!

Welcome to Orbis - where students unleash their passions, realize their potential, and impact the world! The information included in this document serves as our Orbis Family Orientation. The components below include important need-to-know information as our 2020-21 Orbis Innovators transition into one of the most exciting, engaging experiences in their high school years.

1) Orbis Enrollment Forms (Action Needed)

Student Innovators, please complete your enrollment form as soon as possible so we can get to know you (*note: try a different browser if you are having difficulty with the link*):

- For students enrolled at Ankeny High School and Ankeny Centennial High School: <https://tinyurl.com/ACSD-Project-Based-Enrollment>
- For students enrolled at North Polk High School, Saydel High School, and Bondurant-Farrar High School: <https://tinyurl.com/Project-Based-Enrollment>

2) Orbis Overview

During this 33-minute video, you will meet our Orbis team and engage in an overview of Orbis: <https://youtu.be/NZalRenVV30>

3) Orbis Collaboration Space (location, where to park, where to enter, etc.)

During this 1 ½ -minute video, you will see where we're located, where to park, where to enter our facility, and other important tid-bits regarding our Orbis Collaboration Space. For example, as a young professional, you are issued a fob to enter Orbis! <https://youtu.be/e6vDbvKZxQ8>

4) Return-to-Learn Guidelines

Your health and safety is our priority. On your first day of Orbis, you will be equipped with important information regarding COVID expectations in our Orbis space, aligned with the Return-to-Learn Plan in Ankeny Community Schools. Know this: masks are required, and social distancing guidelines are an expectation.

5) Optional Visit to our Orbis Space

Students, you are welcome to stop by Orbis to meet our team and pick up your fob during one of the following times:

- Tuesday, August 18, 6:00-7:00 p.m.
- Wednesday, August 19, 8:00-9:00 a.m.

6) Orbis Gear

Get yourself some Orbis gear! Did you know one of our Ankeny students designed our Orbis logo? And, a team of Orbis Innovators expanded the choices of offerings by seeking input from students and partnering with local vendors. It is not a requirement to order Orbis gear; this is an option if you choose to do so. Be on the lookout in the coming days for information to order from a couple local vendors.

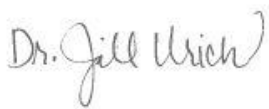

7) Exit Form

Students and parents, what excites you about Orbis? Please complete this brief exit form:

We are excited to turn the corner and launch the 2020-21 school year with you. Please feel free to contact us if you have any questions or concerns.

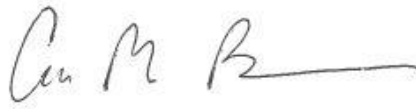

Sincerely,
