

## Fond du Lac County 4-H

# Secretary Award

Each 4-H club secretary is eligible to compete

### General Outline for Secretary Book

1. Secretary Book cover
2. Leader, Officer, Committee listing
3. Member listing and attendance record
4. Calendar of Club Activities
5. Supplementary evidence of club achievement, etc. Add a sheet with a summary outline of your club's accomplishments such as group projects and participation in countywide activities.
6. Minutes of Club Meetings
7. Newspaper clippings and pictures are **optional**. The reporter/historian book should contain the majority of these. However, specific and important articles can be included. Don't make the secretaries book into a scrapbook, though.

#### Books are evaluated on:

- Neatness
- Completeness
- Accuracy/Correctness (spellings, names, dates)
- Sending in minutes regularly to the Extension Office (promptly each month). This information is used for Club News in the monthly 4-H Family Times newsletter. Be sure the date and place of the next meeting is clearly stated on the minutes each time; also put the name of the club on the top of the page. They may be mailed in to:
