SARGE Hello everyone! Welcome to the Super Me Super Hero Anti-bullying Training Program! I'm your host and lead trainer, "Sarge!" What's my name?

AUDIENCE: SARGE!

SARGE: I can't hear you!

AUDIENCE: Sarge!

SARGE: Today you will be challenged in ways you've never dreamed of. Some of you will succeed and others will fail. But do not worry, we will all succeed in finding ways to fight against bullies. Now, you will be facing three types of challenges. First, there will be super hero challenges- things like super human strength, with Thor's hammer! There will be X-ray vision with our super x-ray vision glasses. There will be aquakinesis- the ability to move water with just your mind- and telekinesis- the ability to move objects with your mind. You'll also be facing a virtual challenge where we'll be helping a young boy

escape from bullies in a comic book world. And you'll also be learning a dance in four parts. It's a hip-hop dance. It's fun! Don't worry if you don't get it. It's just for fun. Let's see... are you guys ready to go? Let's see what our first challenge is going to be. I'm sure it's a superpower challenge. Yes, indeed!

SLIDE 3 - SUPERPOWER CHALLENGE - TELEKENISIS TITLE

SARGE: Do you guys think you have the ability to move objects with your mind?

AUDIENCE: YES!

SARGE: It's called Telekinesis. What's it called?

AUDIENCE: Telekinesis!!

SARGE: Alright, alright. I usually use telekinesis to check and see how much superpower we have collectively. That means together. I need you to all take a second to focus. Look at the red cup. Keep your eyes on the red cup. I need you guys to just follow my direction.

SLIDE 4 - TELEKENISIS MUSIC

(make sure to build with intensity)

SARGE: We're gonna breathe together, deep breaths. Every time the pulse comes... Deep breath in... Blow it out. Big breath in... Blow it out. Big breath in... Now, focus... Concentrate... I need you to lift that cup up. Concentrate! Try to move it a little bit just an inch You've got this. Come on, focus! Focus!

(THE CUP MOVES)

Woah! Give yourselves a hand. Good job, guys, good job! Awesome. Let's see what our next challenge is gonna be. Oh, yes, another super power challenge. Here we go.

SLIDE 5 - SUPERHUMAN STRENGTH

SARGE: It's probably going to be SuperHuman Strength. Who thinks they can lift what no man dreams of lifting? Who thinks they can lift Thor's Hammer?

AUDIENCE: Me!

SARGE: Impossible! Oh let's see... let's see... let's see.
(searching ad libs)

SARGE selects a volunteer and has them sit down on the edge of the stage or stand nearby while SARGE tells the story of Thor's hammer.

SLIDE 6 - PICTURE OF THOR

SARGE: I want to tell everybody the story of Thor's Hammer. You see, Thor didn't always have this hammer. No... in fact this hammer was born out of an act of bullying. You see, Thor's worst nemesis, his biggest problem, was his own little brother- Loki.

SLIDE 7 - PICTURE OF LOKI

What's his name?

AUDIENCE: Loki!

SARGE: Yeah! Loki was very jealous of Thor. He was jealous about everything, and he was really jealous about his friend.

SLIDE 8 - PICTURE OF SIF

SARGE: She had beautiful blonde hair, so Loki snuck in one night and cut off her hair. Thor, when he found out the next morning, was furious!

SLIDE 9 - THOR CHASING LOKI

SARGE: So, he got up and chased him all around. When he finally got Loki, Loki said "Ah! No, no! Don't hurt me! Don't hurt me Thor! I can fix this! I'll go down to the Cave of Dwarves. I'll get them to make a beautiful head of hair for her and I'll get

them to make a weapon for you. Thor thought for a little while, and against his better judgment he agreed and let Loki go.

SLIDE 10 - LOKI WITH DWARVES AND HAMMER

SARGE: So, Loki went down to the Cave of Dwarves. He got the dwarves to make a beautiful head of hair, and he got them to build... Thor's hammer- right here!

SLIDE 11 - PICTURE OF THOR WITH HAMMER

SARGE: Well, he took it back to Thor. Thor loved the hair! There was no problem there, but when he tried to pick up the hammer... could he pick it up?

AUDIENCE: No!

SARGE: No! He tried again... Could he pick it up?

AUDIENCE: No!

SARGE: No! He tried again... Could he pick it up?

AUDIENCE: No!

SARGE: No... but you know what?

SLIDE 12 - PICTURE OF INSCRIPTION

SARGE: Then Thor looked down on the side of the hammer, and he saw an inscription (some words). The words said: Whosoever holds this hammer, if he be worthy, shall possess the power of Thor. Thor thought: I am worthy! So, he tried to pick it up again, but could he pick it up?

AUDIENCE No!

SARGE: And then he stood up and shouted: I am worthy!

SLIDE 13 - PICTURE OF THOR PICKING UP HAMMER

SARGE: And with that, Thor picked up the hammer with power, thunder, lightning and superhuman strength!

Let's see my friend...

SARGE refers to the selected child and asks the audience...

SARGE: Do you think he/she can do it?

AUDIENCE: Yeah!

SARGE Stand up! Here we go! Let's give it a shot. Come on over here.

SARGE brings the selected child over to the hammer.

Let me hear you say: I am worthy!

KID and AUDIENCE: I am worthy!

SARGE: You don't sound like you're very worthy... You've got to say it like you mean it!

KID AND AUDIENCE: I am worthy!

SARGE directs the child to place their hands on Thor's hammer.

SARGE: Say I am worthy!

KID AND AUDIENCE: I am worthy!

SARGE: I am worthy!

KID AND AUDIENCE: I am worthy!

Sarge directs the child to pick it up, clarifying to pick it straight up, and the child fails.

SARGE: Aww, give him/her a hand for trying! Give him/her a hand everybody!

SARGE assists the child off of the stage and reaffirms them with words (good job, nice try, etc.)

SARGE: *(calling out to the child)* Don't worry! By the end of the show, I bet you can do it! I bet you surely can do it by the end of the show! Give another big round of applause!

[Applause]

SARGE: Let's see... who else would like to try? Let me see... who thinks they got this?

SARGE selects another child from the crowd, and directs them onto the stage.

SARGE: Come on down! Give him/her hand everybody!

[Applause]

Do you think he/she can do it?

AUDIENCE: (replies)

SARGE: Let's see... What's your name?

CHILD: (responds)

SARGE: Okay, come right over here. Stand close up, put two hands on. Everybody shout: I am worthy!

KID and AUDIENCE: I am worthy!

SARGE: (to kid) You shout: I am worthy!

KID: I am worthy!

SARGE: Let me hear you shout it!

KID and AUDIENCE: I am worthy!

SARGE directs the child to pick it up.

SARGE: Pick it up! ... He/she did it! Give him/her a hand everybody!

[Applause]

SARGE: Good job! High five! Have a seat!

SARGE assists the child off of the stage.

SARGE: Give another big hand everybody!

[Applause]

SARGE: Boys and girls, I tell you this story because I want you to know something. You don't need superhuman strength to beat bullies! It's not strength of the muscle; it's strength of the mind and strength of the heart! I'll tell you more as we go along, you'll see. Let's see here... what's our next challenge?

SLIDE 14 - BE KIND ALL THE TIME

SARGE: Five simple words: Be kind all the time! Let me hear you say it!

AUDIENCE: Be kind all the time!

SARGE: Let's hear it: Be kind all the time! Say it with me:

AUDIENCE: Be kind all the time!

SARGE: Five simple words. If we were kind all the time we wouldn't have a problem. Remember from day to day, just try to be kind.

SLIDE 15 - PHYSICAL TRAINING

SARGE: Let me see... It's physical training! Get up everybody, we've got to move! Come on, get up, get up, get up! It's time to learn the Super Me dance! Here we go, just follow me! Let's go! Ready:

SARGE explains the steps.

SARGE: One, two, three, four, five, six, seven, eight. Good, let's do it again.

SARGE does it again and the audience joins in.

SARGE: One, two, three, four, five, six, seven, eight. Again. One, two, three, four, five, six, seven, eight. Good job guys! Sit down, sit down. We'll practice it more in a bit! Let's see what our next challenge is!

SLIDE 16 - "GOOD CHOICE VS BAD CHOICE 8:58

SARGE: Oh, it's Good Choice, Bad Choice! Guys, we make decisions every day. Every time we make a decision, it has an impact. It affects what's going to happen to us. We can select the good thing to do or the bad thing to do. Let's take a look!

SLIDE 17 - KIDS KNOCKS OVER BLOCKS

SARGE: What would you do if someone messed with your play time and interrupted your play things by knocking over your blocks. What would you do? Raise your hands!

SARGE picks a child to answer.

SARGE repeats back what the kid says...

SLIDE 18 - GOOD CHOICE BAD CHOICE WHAT TO DO

SARGE: Good... Let me show you something. Let me tell you something. When I get mad, and I want to lash out... I want to try to hit somebody or shout... you know what I do? I take a big breath in. Everybody do it with me now! I do it silently. Blow it out through your nose silently. Close your eyes. I close my eyes and I breathe in... and I blow it out. Breathe it in... blow it out. Breathe it in... breathe it out. Breathe it in... long breath out. You feel yourself start to calm down? I always do, and then I make better choices! Open your eyes! So, first I do that, but what else could we do? Raise your hand. Tell me...

SARGE picks a child to answer.

SARGE responds to what is said and responds accordingly.

SARGE: We ask them politely to stop! Right? Would you hit them?

AUDIENCE: No!

SARGE: No... would you call them bad names?

AUDIENCE: No!

SARGE: No, no. Let's look at some more important things to go over. First, take a deep breath. Let me hear you say that:

SARGE and AUDIENCE: Take a deep breath!

SARGE: Keep breathing with your eyes closed until you calm down. Nicely ask the person to stop. That's right, ask them to stop!

SARGE listens to audience responses for a moment.

SARGE: And last but not least, who do we tell if we can't get them to stop?

SARGE listens to the audience's response.

SARGE: Tell a grownup! That's right. Tell a grownup! Say it: Tell a grownup!

AUDIENCE: Tell a grownup!

SARGE: Very good! You get some help. That's if they won't stop... Alright, let's move on.

SLIDE 19 - VIRTUAL TRAINING TITLE

SARGE: Let's see... (*sound effect*) Oh it's time for virtual training guys!

SLIDE 20 - MEET BILLY

SARGE: Here's who we're helping- Billy. Say hi Billy!

AUDIENCE: Hi Billy!

SARGE: Billy is a level two trainee. You are level one. Billy is getting ready to be transported into this comic virtual world, but Billy is also being bullied by a mean group of kids known as The Clash Clan! Let's meet them!

SLIDE 21 - CLAY

SARGE: This is Clash Clay. The Clash Clan, they're known for all kinds of things, but Clay is known for punching, pushing, kicking, really hurting people, yelling, cursing and name calling.

SLIDE 22 - KAT

SARGE: This is Kat. Kat is known for tripping, pinching, biting, name calling and cursing!

SLIDE 23 - THUGGEE

SARGE: And this is Thuggee. Thuggee is a cyber bully. He uses his computer, his iPad or his phone to bully kids by calling them names and posting mean pictures and videos.

SLIDE 24 - VIRTUAL TRAINING MAP

SARGE: Now, what's going to happen is this: They will all be magically transported to a virtual training course. The training course begins with the Maze of Madness. I think we're going to try to help Billy with some x-ray vision. If they escape that, then they go to the Desert of a Thousand Roads, where they have to make some tough decisions- just like you might if you're being bullied. And then if they make it out of there, they go to the Whispering Forest of Doubt, and that's where they hear all of those mean things... all of those names they've been called and they can't get out of their head. Last, they end up at Em's Castle, and that's where they have to find the secret portal to get back home. You guys with me? You understand?

AUDIENCE: Yeah!

SLIDE 25 - SUPER ME SUPER POWER BOOK

SARGE: All right, cool! Let's find out a little bit more about what's going to happen here. Billy has a book. It's called the Super Me Superpower Book. If he loses that book, he can't get home. It's the key to the portal. He's got to keep that book. It also allows us to talk to him, but if somebody else is nearby... well he can't hear us. It blocks the signal. So, he's got to have that book at all times. Let's see what happens next my friend. Let's find out what bullying is.

SLIDE 26 - DEFINING BULLIES: REPEAT OFFENDERS

SARGE: It's a repeat offense. Something that happens over and over and over again to the same person. There's Billy.

Audience watches bullies in action in a short clip.

SARGE: Saved by the bell! Hey, did you see that girl stand up right between Billy and the bully? She was trying to shut it down. That's called stepping up. You can step up if you'd like, but if you're going to do something like that, just make sure someone's got your back. She knew there was a teacher nearby so if there was real trouble she could call for help. Don't put yourself in danger, but if you can help, definitely do. All right, let's see what's next.

SLIDE 27 - DEFINING BULLIES - WORD WEAPONS

(Timing with video is important)

Kids watch a video of kids using devices to bully while SARGE speaks.

SARGE: These here are word weapons. Words can hurt just as much as any kicking, punching or biting. In fact, they're worse because they don't go away. In this case we're talking about cyber bullying. You know that everybody pretty much has a phone these days. Raise your hand if you have a phone guys... or an iPad or computer. I bet you use that , right? Well, cyber bullying is when you use your phone or iPad to say mean things. They're saying things like "he's such a loser and wannabe", and they're talking about making a Facebook page talking about Billy himself, and how they'll post pictures on it and make fun of him with crazy pictures. Now it's not like Billy doesn't know... He knows exactly what's going on, and it doesn't go away at 3:30 or 4:00. We all go home, but when it's on the internet, everybody sees it all day and all night. I'll tell you something else... every one of your phones... every one of your PlayStations, or your Switches, or your Xboxes... everything you use has a number hidden inside- deep inside it- and when you do something wrong, it can be traced back to you. It has a number that identifies who is using that device and where you're located. So please, be kind all the time. What did I say?

AUDIENCE Be kind all the time!

SARGE: Think before you do something. Make sure you're being kind, okay? Good job guys!

SLIDE 28 - STOP CYBER BULLYING

SARGE: All right, that's how we stop cyber bullying. That's what it's called: cyber bullying.

SLIDE 29 - GOOD CHOICE / BAD CHOICE NAME CALLING

Audience watches example video while SARGE Speaks

SARGE: But let's talk about when somebody's calling you names in real life, not in the virtual world.

SLIDE 30 - BULLIES CALLING KID NAMES

SARGE: What would you do if people were yelling at you and calling you bad names and making you feel bad? What do you do guys? Raise your hands. Here we go!

SARGE selects a child and listens to the selected child's response.

SLIDE 31 - WHAT TO DO IF SOMEONE IS CALLING YOU NAMES

SARGE: Give her/him a hand! I like that! One of my favorites is: ignore them. Say: ignore

AUDIENCE: Ignore!

SARGE: Do you know what that means? Just blow them off. Don't even pay attention. Walk away like "I'm not listening to you!" Don't let them have power over you. You know who you are! You're not what they say you are. You are what you believe you are. Just know inside that you have the power, not them! Okay? Walk away. What did I say?

AUDIENCE: Walk away!

SARGE: Right, ignore them. Walk away. And next, last but not least, we say it a lot: tell a grownup! What did I say?

AUDIENCE: Tell a grownup!

SLIDE 32 - PHYSICAL CONTACT

SARGE: Good job guys, good job! All right, last but not least, the bullying we all think about. That's when you kick, punch, or hit. When you're trying to hurt someone physically. Watch this:

Physical bullying video plays with audio and audience watches.

SARGE: *(in response to the video)* Oh we've got a push! Looks like he's going to punch him. Hold on, he's got the Superpower Book! They're heading to the virtual world.

SLIDE 33 - TITLE GOOD CHOICE BAD CHOICE - PHYSICAL CONTACT

SARGE: Okay guys, let's talk for a minute. Good choice, Bad choice again!

SLIDE 34 - BULLIES BEATING KID UP

Video plays of bullies hitting and kicking while SARGE talks.

SARGE: What do you do when someone's trying to hit you? Do you hit them back?

AUDIENCE No!

SARGE: No! Do you know why? Because it only makes it worse. Because when the teacher comes or a grownup comes, they don't know who started it, and you'll probably be pointing at each other going: "He did it, he did it, he did it!" , and they won't know. And, you'll get in trouble too. So, I'm going to give you some suggestions. I say block and walk! Let me hear you say: Block and Walk!

AUDIENCE: Block and Walk!

SARGE: Put your hands up like this.

(SARGE: puts hands in front of their face like a boxer)

SARGE: If someone tries to hit you, do like a karate guy does! Block! Block away- like this! Just knock their hands out of the way, block, and at the same time, walk away. While you're walking, I have something else to tell you. Yell and tell! What did I say?

AUDIENCE Yell and tell!

SARGE: Very good! That means call out for a teacher. "Someone get a teacher!" "Teacher, teacher! Get the principal!" Get somebody that's a grownup to help you out. "Walk and talk" is very important.

SLIDE 35 - PHYSICAL CONTACT RESPONSE OVERVIEW SLIDE

SARGE: Let's go back over these again. Hold on everybody. Block and walk! Walk away and yell for help. Tell a grownup.

SLIDE 36 - BLOCK AND WALK SLIDE

SARGE: Let's say it together!

SARGE and AUDIENCE: Block and walk!

SLIDE 37 - YELL AND TELL SLIDE

SARGE and AUDIENCE: Yell and tell!

SARGE: Good job guys! Good job. All right, let's get a move on... oh hold on!

Video of Billy plays.

SLIDE 38 - BILLY AT THE MAZE ENTRANCE

BILLY: Where am I?

SARGE: It's Billy! Hey Billy! Hey!

BILLY: Oh thank God you're there!

SARGE: You've got the book, you know what to do here. Right! You know what to do, Billy.

BILLY: Yes, Yes, I guess so.

SARGE: All right, get inside. You're at the maze. You've got to get inside. Tell him to get inside!

AUDIENCE: Get inside!

SLIDE 39 - BULLIES AT THE MAZE ENTRANCE

SARGE: And run! run! The bullies are coming. Run Billy, run! Oh, here come the bullies. Hold on guys, here they come!

CLAY: What the?

KAT: Where are we?

THUGGEE: What is this place?

CLAY: Where's the kid?

KAT: He must have gone in.

CLAY: Let's get him!

SARGE: Oh boy! Guys, we're going to have to help him.

SLIDE 40 - SUPERPOWER CHALLENGE X-RAY VISION

SARGE: It looks like it's a Superpower Challenge! Here, let's see... I need someone with x-ray vision. I'm sure of it! We've got to see through those walls and make sure we can get him through this! Who can help me out?

SARGE picks a new child from the audience.

SARGE: Give him/her your hands everybody! Come on down! Awesome! What's your name?

CHILD responds

SARGE: Awesome! (Child's name), you can wear some super cool glasses.

SARGE puts the glasses on the child.

SARGE: Look at this! Check them out! There you go. Everybody give him/her a hand everybody! Awesome. All right, come over this way.

SARGE guides the child to stand stage left of the screen to view it.

SLIDE 41 - X-RAY VISION - VOLUNTEER

SARGE: I want you to see if you can read this. Can you read that? Shout out what it says. Okay, shout it out and tell everybody.

CHILD: Help Billy!

SARGE: What did he/she say? Help Billy? Say it again, shout it out.

CHILD and AUDIENCE: Help Billy!

SARGE: Good. Concentrate, concentrate guys! Do you see it yet? Do you see Billy yet?... hold on... Do you see it yet? You've got to focus. Are you seeing it? I feel it...

SLIDE 42 - X-RAY VISION - HELP BILLY - REVEAL

SARGE ensures the child makes it off of the stage.

Maze animation plays along with a video.

SARGE: Okay. Billy is the green circle. The bullies are the red triangle. Billy, we're going to help you.

BILLY If they get to me, they're really going to hurt me.

BULLIES: There he is! Wait up, Piggy! Let's get him.

SARGE: Oh... that's not good!

SLIDE 48 - BILLY EXITS MAZE AND MEETS COOLEY THE COYOTE

During this, SARGE pantomimes an attempt to reach Billy through a headset.

COYOTE: *Hey, man. Get out of my light. You're choking my rays. You're stealing my tan, man.*

BILLY: *Woah, you are you?*

COYOTE: *I am the Coyote. Now get out of my grill so I can reach my MTP.*

BILLY: *MTP? What's that?*

COYOTE: *Maximum tan potential, bro. Can't you see?*

BILLY: *Sorry. Do you know which way is the way back?*

COYOTE: *Way back? Way back? You need to get way back out of my tanning space.*

BILLY: *If you don't tell me which way to go, those bullies are gonna get me and they're really gonna hurt me.*

COYOTE: *I don't know. Maybe you should just read the signs or something, hm?*

BILLY: *"Your Name Road. Go here." This makes no sense. They all say the same thing. Mister Fox, can you help me?*

COYOTE: *No can do, little buddy. The way is different for everyone. You gotta find it on your own.*

BILLY: *Wait, those kids, that guy, this book, maybe...*

COYOTE: *You mean this book?*

Coyote reaches for the book

SARGE: No, don't touch the book, no!

BILLY: Oh, man, where'd he go?

AUDIENCE: Stay away!

SARGE: That's right! Don't give them a chance! Just stay away. Good. All right, let's see what's next.
