Overview of the year

The branch operated without an appointed Chair/President during the term, led collaboratively by the Secretary and National Council Representative.

Social Activities

- o 27 September 2025, 2 attendees

- o 27 March 2026, 6 attendees

The Year in Review

Unfortunately, it has been a year without much input or interest from the ACT branch members. While we initiated discussion at national level about a possible merger with the NSW branch, our National Council Representative has not received feedback about this.

Social Activities were limited as our Secretary who organises these was busy with family matters overseas from May onwards.

Finances

Branch finances and accounts are managed and audited centrally as part of the National Financial Statements. If you would like a copy following the AGM, please contact the ACT branch at their email address.

Thanks

A thank you to the outgoing committee members and members who attended events.
