

Hello 8th Grade Parents!

As the parents of the Class of 2025, we have the unique opportunity to make this graduating year unforgettable for our students. Together, we'll raise funds to support a celebration filled with fun, food, entertainment, and surprises for our graduates. Let's send them off in style!

Our Goal: \$3,000

In the past, \$2,000 was enough to organize the send-off, but with rising costs, we're aiming higher. Every dollar raised will help us create memorable experiences, and any surplus funds will provide a head start for next year's 8th grade families.

Since November, we've been raising funds through concession sales at school events like basketball games and the school musical. Now, it's time to **kick it up a notch** with a [Double Good Popcorn Fundraiser](#)—a 100% contactless effort that makes fundraising simple and impactful.

Here's How It Works:

- Follow the instructions below to set up your personalized popcorn store.
- Share your store link with family, friends, and your wider network.
- That's it! You're officially in the game.

Why Participate?

- 50% of every dollar raised goes directly to supporting our students.
- The more participation we have, the closer we'll get to exceeding our goal and making this celebration spectacular.

We also need **planning committee members** to help bring the end-of-year activities to life. If you're interested, let us know by emailing ewiegman@live.com. Finally, please share this with any 8th grade parents who may have missed it. **We need all hands on deck to make this celebration truly amazing!**

Thank you for your support and enthusiasm. Let's make this a year to remember!

Warm regards,

8th Grade Parents
