

C.K.Pithawala College of Engineering & Technology, Surat
Report of IBM Academic Initiative "RAD Certification Workshop"
Organized at: Computer Engineering Department,
Coordinated By: Prof. Ami Tusharkant Choksi
Dates: 27-31 July, 2009

Comments about workshop from Vikas Manoria, our trainer:

- First RAD workshop in Gujarat was at CKCET, because of Ami Choksi's efforts.
- Participants from outside were very good, without any restriction they attended sincerely.

Comments from me:

- Very good working support from faculty members, non teaching staff especially Urmila and Karan.
- Urmila was doing most of the work assigned to her.
- Vivaksha supported with her personal camera. Thanks to her a lot.
- Chetan-Saurabh purchased a very nice notepad-pen at a cheap rate.
- Yogesh purchased a pen drive after the workshop.
- Bhumika purchased Biscuits.
- Unnati and Radha made a very nice banner for the RAD workshop and certificates nicely designed by Radha and Urmila and Bhumika Shah has purchased a bouquet. Thank you all for Your support.
- All helped in copying softwares, as well as maintaining the nice environment.
