

[See this page in the course material.](#)

Learning Objectives

- Identify differences in class delivery and compare strategies for success in each type

Directions

1. Watch the video presentation [Introduction to Online Learning](#), from California Community Colleges, to get a sense of what possibilities await if you decide to take online classes.
2. When you are finished watching the video, take this [Online Learning Quiz](#) from the Washington State Board for Community and Technical Colleges. You will see pop-up interpretations based on your responses.
3. Write a 2-3 paragraph summary of the activity and your takeaway from it. Will you consider taking online classes? Why or why not?
