- ★ I expect you to be RESPECTFUL. You will respect the teacher, your classmates, the classroom, and yourself. I have little tolerance for disrespect and expect you to be the best version of yourself each day while in this classroom.
- ★ I expect you to be RESPONSIBLE. You are young adults and will be treated as such. You are responsible for your learning and your grade. This includes completing all assignments and following up with missed work. I will NOT chase you down for you to complete work. I expect you to keep up with your own materials. I expect your behavior to reflect becoming responsible adults. When you enter this classroom, you should come prepared.
- ★ I expect you to be READY TO LEARN. You can expect me to teach everyday and I expect you to learn every day. Each day may consist of different modalities and activities, but the goal remains the same: to learn something new every day. I expect you to be open and willing to obtain new knowledge.

Classroom Procedures

- ❖ You will be required to follow all district guidelines regarding behavioral and academic performance.
- ❖ As you enter the room, you will need to place your phone in the holder and find a seat. Cell phones usage is NOT be allowed in the classroom and will be confiscated and turned into the office if you violate this rule as outlined in the student handbook.
- ❖ Each day, you will access your Google Classroom, read the agenda posted for the day, and begin any work. We regularly utilize technology in this class. I strongly advise you to follow the acceptable use policy. Your grade will suffer tremendously if you lose the privilege of using the technology in school.
- ❖ If I am directly teaching, you will listen diligently. I refuse to talk over you. Remember, I expect you to be respectful. I encourage clarifying questions and discussions (when appropriate) to further student understanding.
- ❖ You can expect to be active in this classroom, including group work, discussions, labs, etc. You are expected to be responsible and respectful. Be mindful of your time, stay focused, work cooperatively, and listen for directions.
- ❖ Before you leave, you must clean up your area including any trash, materials or supplies used, etc., push your chairs in, and exit the room in an orderly fashion. The bell does not dismiss you, the teacher does. If you waste my classroom time, I waste your transition time!
