

Ben's birthday

Today is Ben's birthday. The weather is sunny and Ben and Grandma go to Yummy's Restaurant to have tasty food to celebrate Ben's birthday. Ben feels happy.

Grandma orders a can of cola, a slice of pizza and a packet of French fries for Ben. Ben feels excited.

The French fries is too salty, and the pizza is too spicy. Ben feels so disappointed. He says, 'Why is the quality of food so bad today?'

In the end, they complain to the shop manager and he apologises immediately. From then, they serve with tasty food. Ben feels so delighted. What an unforgettable day!
