These prizes are based on TOTAL SALES THROUGH THE FUNNEL. So don't just promote the frontend... let your buyers know about the upgrades and provide bonuses for each level in the funnel. You'll get more sales, more commissions, and a better chance at the prize money!

Leaderboard position and overall contest ranking is determined by total sales generated from the entire sales funnel during the contest period from 11am EST December 1 through 11:59:59pm EST December 4, 2020 unless otherwise specified. You are encouraged to inform your buyers about the upgrades and provide bonuses for each level in the funnel. To qualify for Main Contest cash prizes, you must make equal or more than the prize payout in commissions. If you don't make the equal or more amount of commissions, then you'll be paid out the amount you've made in commissions depending on your prize winnings. Daily contests are no minimums and will be paid strictly based on placement. Due to leaderboard positions being based on total sales generated, no commission bumps or early birds will be given out. Affiliates may form a team to qualify for Main Contest prizes, maximum of 2 affiliates per team, must be arranged with launch manager no later than end of day November 30, 2020. No exceptions!
