WARRANT FOR ARREST

Kingdom of Stormwind

v.

House Goldcrest

TO: All Agents of the Crown, Especially the Stormwind Constabulary and Magical Enforcement Bureau

YOU ARE COMMANDED TO ARREST AND BRING BEFORE A MAGISTRATE WITHOUT UNNECESSARY DELAY:

Selanathorei Brightsoul

Liana Goldcrest

Selanathorei Brightsoul

Last seen near the crypts and tombs of Raven Hill and Darkshire. This individual has been reported as being able to twist and control the souls of the dead. She is also known to have extensive combat experience.

Liana Goldcrest

This individual escaped during the attack on the House of Nobles. Last seen engaged with several individuals and holding hostage one Cerusani Duskbinder for use as a living shield against Zaria Blackmoore and others who were attempting to subdue the attacker. At this time little is known of this individual except that she is proficient in arcane and necromantic magics and has been seen around Duskwood where it is believed she may have an abode or cultist den.

WARRANT BASIS:

I. Basis for Arrest

On the 27th of September, several members of House Goldcrest were revealed to be agents of the Cult of the Damned. Following the receipt of reports revealing them to be complicit in operating within the cult, and the belief that these individuals, one of whom escaped after committing several high crimes against the state during a meeting of parliament, may pose further threat to the people of Stormwind. These reasons form the strong basis for this arrest.

II. Laws Violated

Liana Goldcrest - Several counts of Assault, Attempted Murder, Attempted Assassination of Members of the Nobility and Attempted Fraud. Two counts of smuggling. Treason, Sedition, Manslaughter, Resisting Arrest, Disturbing the Peace, Necromancy.

Selanathorei Brightsoul - Treason, Sedition, Necromancy
