Dear Virginia Johnson,

I am hosting an event in support of Florida's "Amendment 2" with popular local Tampa bands. We would love to invite you for an exciting opportunity to bring massive awareness to the community for the Amendment and join in the celebration with this amazing event, "Yes On 2 Beach Bash Music Festival"!

We plan on holding the event at **4:20pm on November 2nd, 2014** and **Mickey Quinns Beach at 19703 Gulf Blvd, Indian Shores, FL 33785** will be our venue. 8 hours of live music from Shoeless Soul, Badda Skat, Superfly Crew, No Talent, Ellipsis, Polly Essence, DJ Tampa Baller Eddie and DJ Blanco. Vendors from many local businesses will be participating in the event such as Clean & Bean Laundry, 3rd Eye Tattoo, Tropical Scooters, Magical Butter, BridgeWest Network, and Mountain Man Organics. There will be raffles and Magical Butter will be having giveaways. Libertarian running candidate for Florida Attorney General, Bill Wohlsifer and Libertarian Congress candidate Lucas Overby are also taking part by introducing the event and speaking about the cause.
