

AP Testing at Berkeley HS FAQs

February 26, 2021

For questions about AP Testing at Berkeley HS this year, please contact Matt Albinson (Coordinator) or Tammy Rose (Assistant Principal). mattalbinson@berkeley.net, tammyrose@berkeley.net.

When are AP tests being held this year?

Here is the BHS [AP Testing Schedule](#) for this Spring.

Can I change my test date? I have a conflict.

Some tests can be changed to an earlier [online administration](#). View the full [AP Testing Calendar](#) here. BHS is only holding in-person exams for Languages and Music this year.

OK, there's an earlier administration for my test. How do I change?

Log in to [Total Registration](#) and select "Request Alternate Date for Exam". Once approved you will receive an email with your new test date.

Can I still cancel an AP test?

Yes. Here are [all testing costs/dates](#). AP Tests can be cancelled for a full refund until 3/5/21 @ 11:59PM. Log in at [Total Registration](#) to cancel. There is a \$50 fee to cancel between 3/6 and 3/12 @ 11:59PM. After 3/12 there are no refunds or cancellations.

Can I still sign up for an AP test?

Yes. Register at myap.collegeboard.com and then submit payment at [Total Registration](#) by 3/5. The College Board will assess a \$40 late fee if you have not already registered with them.

Can I still receive a fee waiver?

Yes, but all tests not paid by 3/12 will be cancelled regardless of fee waiver status. Email mattalbinson@berkeley.net to discuss your situation if you believe you qualify for a fee waiver and have not received one.

How can I be sure that my accommodations will be available on exam day?

Contact your student's academic counselor to add or check a student's accommodations with the College Board. Accommodations are attached to your College Board account so appropriate allowances will be made available during online testing.

How will in-person tests be administered this year?

We are still working out many of the details, but testing will be held on the BHS campus on May 21 for the Spanish Lit, Spanish Lang, French, Chinese and Music Theory exams.

What do I need to take an online AP exam?

The College Board hasn't released formal tech specs for testing @ home this year, but you will need a laptop device - AP exams cannot be taken on mobile devices this year. Watch for more details to be released on the [College Board web site](#).
