- Clubs are expected to check in on Thursday March 14th at MNP Centre to pick up your package at the back gate. We will be announcing if we are able to have a technical meeting or send all of the rules and interpretations. It is difficult to find a time that works for all coaches to attend.

Registration for the Tournament: All teams and players must be a 'member in good standing' with their National organization and proof will need to be provided. This year all registrations/entries/rosters of Canadian based teams will be done through the Water Polo Canada approved database RAMP. on a roster. When entering the rosters, please make sure that the athletes are entered with the correct cap numbers, all registered in the '**competitive**' category and that you include your coaches (up to 3) and chaperone (1) who will be on deck with the team.
