Oral Surgery Symposium

Department of Oral and Maxillofacial Surgery

Carlingford Centre

Prittlewell Chase, Southend-on-Sea, SS0 0RY

Contact: Oralsurgery.2015@southend.nhs.uk

If you wish to submit an oral presentation or poster, please provide an abstract below (max 200 words).

### Poster presentation

Topic:

Management of deeply impacted teeth using Image guided surgical planning, bone preservation and damage limitation

### Oral presentation

Topic: 'Tricks of the trade'

A short presentation on surgical procedures (tricks) in a concise, highly didactic format to enable surgeons quickly grasp the essence of that trick. It can be a video or photo demonstration (with line diagrams). Line diagrams alone will not be accepted. – 5 minutes for a presentation and 2 minutes for a discussion

Guideline for oral presenters

Acceptable media- CD, DVD and windows laptop. If a presenter brings mac, it is their responsibility to bring their own VGA cable

Guidelines for the posters

Size A1

Oral Presentation / Poster \* Please delete as appropriate

## Poster presentation

## Oral presentation

This image shows a blank sheet of white paper with horizontal ruling lines. On the left side, there are four short vertical lines that serve as margins, creating five equal-width columns. The rest of the page is filled with continuous horizontal lines, providing a template for writing or drawing.

### Southend University Hospital NHS Foundation Trust

Prittlewell Chase · Westcliff on Sea · Essex · SS0 0RY

Telephone: 01702 435555

#### By Bus

There is a wide selection of buses that drop off and pick up from outside the main hospital site. The nearest stop is "Southend Hospital". Please check [www.traveline.southeast.org.uk](http://www.traveline.southeast.org.uk) or call 0871 200 2233 for the best and most up to date bus routes for your journey.

#### By Rail

The nearest station to Southend Hospital is Prittlewell on the National Express Eastern line from London Liverpool Street to Southend Victoria. Prittlewell station is approximately 20 minutes' walk from the hospital and can be reached on foot or by taxi. If using the c2c London Fenchurch Street line, the nearest station is Westcliff on Sea. Check the relevant train line and bus websites for the most up to date information on public transport.

#### By Car

##### A13

Follow the A13 from either London or Southend direction until the traffic lights at Chalkwell Park. Turn onto Southbourne Grove (A1158) signposted 'Hospital'. Turn right at the second set of traffic lights onto Prittlewell Chase. Continue along Prittlewell Chase, the hospital is located on the left hand side of the dual carriageway.

##### A127

Follow the A127, direction Southend until the traffic lights at the Bell Public House. Turn right at the traffic lights into Hobleythick Lane. Turn right at the next set of traffic lights onto Prittlewell Chase. The hospital is located on the right hand side of the dual carriageway.

Follow the A127 direction Southend until the traffic lights at the Bell Public House. Turn left at the traffic lights into Hobleythick Lane. Turn right at the next set of traffic lights onto Prittlewell Chase. The hospital is located on the right hand side of the dual carriageway.
