

Canty Class of 2025 High School Offers Highlights

• Canty Information

- The vast majority of Canty students are in the Steinmetz boundaries, meaning that is their guaranteed neighborhood school.
- However, students at Canty are accepted into Taft gen ed, as long as they list Taft as their #1 rank on their Choice HS application.
- Many students choose to put Taft IB as #1 and Taft Gen Ed as #2.
- Students are NOT guaranteed a spot in IB, only gen ed.

• How High School Offers work

- Students can receive a *maximum* of 2 high school program offers (excluding the automatic offer from their neighborhood school and excluding wait list offers made after the initial application process closes)
